## SUGAR PLOT THICKENS

Fourth arrest growing out of the recent theft of nine sacks of sugar from the Allen Fruit company warehouse was made early this week when Edward H. Pearson, route 3, box 781, was taken into custody by city police on a justice court warrant charging larceny from a building. In justice court Monday, Pearson waived preliminary hearing and was held to answer to the grand jury. Waldo Hardman, under similar charge, is to have his preliminary hearing December 14 at 10 a. m. Officers say Hardman's car containing some of the sugar, was found at the scene of the crime. Two others are charged with receiving stolen property.

## JUVENILES HAVE BEER

City police early Sunday morning picked up and booked in the county juvenile ward one 14-year-

old and two 17-year-old boys, slugged the driver of the car in which the trio was riding with having a defective muffler and with possession of beer. The other two were listed for curfew violation and possession of beer. Another juvenile in a downtown restaurant, whose employer said had apparently never before stepped from the straight and narrow, admitted to police that, without his employer's knowledge and without accepting money for the merchandise he had delivered a case of beer to the carload of his friends.

**CONTAGIOUS COLDS NOW SLEADING!**

Fewer colds!... Shorter colds! 50% less sickness from colds! ... that's the certified record of Vicks Plan in a great medically-supervised winter test among 2650 children. Right in your own home, this easy guide may do less—or it may even do more for you and your family. But with colds on a rampage, this tested plan is certainly worth trying today! Full details in your package of Vicks. Briefly here's what you do:

**Put VICKS PLAN To Work Today!**

Observe a few simple health rules. Live normally. Avoid excesses. Eat simple food. Drink plenty of water. Keep elimination regular. Get plenty of rest and sleep. Avoid crowds and people who have colds.

IF A COLD THREATENS, put a few drops of Clinic-tested Vicks Va-tro-nol up each nostril at first sniffle or sneeze. (Use as directed in package.) This effective, specialized medication is expressly designed to aid your natural defense against colds—and if used in time, Va-tro-nol helps prevent many colds from developing. (Even when your head is all stuffed up from a nose head cold. Vicks Va-tro-nol relieves stuffy, sneezy distress, makes breathing easier.)

WHEN A COLD STRIKES, or slips by all precautions, rub clinic-tested Vicks VapoRub on back, as well as on throat and chest at bedtime. VapoRub penetrates to the cold-congested upper bronchial tubes with soothing medicinal vapors. It stimulates throat, chest, and back surfaces like a warming poultice. This penetrating-stimulating action works for hours to relieve miseries of colds... invites restful, comforting sleep!

NOTE: If the miserable symptoms of the cold are not relieved promptly—or if there occurs trouble seems to threaten—call in your family doctor right away.
