

Soroptimists' Meet Observes Christmas

A program of music which reached its climax with familiar carols, Christmas greens and burning fat red candles, a centerpiece of heather, holly and scarlet ribbon, and the presentation of gifts of packaged food to be shipped to the organization's sister club in Holland featured the Wednesday noon luncheon meeting of Salem Soroptimists at the Golden Pheasant.

Mrs. David Eason as program chairman for the day presented a trio of prominent young musicians from the Salem high school Crescendo club. Jewell Gueffroy, pianist, pupil of Mrs. Eason, played Chopin's "Fantasie Impromptu" and Laidov's "The Musical Snuffbox." She accompanied Donna Jane Macklin, violinist, pupil of Mary Schultz Duncan, and Glennis Allen, vocalist who studies with Virginia Ward Elliott, for the remainder of the program.

Miss Macklin played "Rondino" and "Schon Rosemarin," both by Kreisler. Miss Allen sang "The Christmas Candle" (Warren) and then led the club members and their guests in singing of carols. Special guests for the occasion were student body leaders from Hillcrest school.

Nylons Boost V-Bond Sales

PORTLAND, Dec. 19 (AP)—Sale of 450 pairs of nylon hose with purchase of \$1000 Victory bonds here today jumped the state's lagging E bond sales to 92.7 per cent of quota.

The war finance committee announced sale of the remaining 550 pairs would continue tomorrow, but the sales booth would be moved indoors. The \$450,000 sale put the state's E bond total at \$2,850,000.

One male purchaser of \$10,000 in bonds walked away with ten pairs of nylons for holiday gifts.

Sumatra Pledges Aid to Rebels

BATAVIA, Java, Dec. 19 (AP)—Touring leaders of the unrecognized Indonesian republic, seeking unity in the quest for independence from the Netherlands, were armed today with a pledge from acting governor Amir of neighboring Sumatra that "Sumatra's ten million are ready to help you."

While a British communique reported sporadic Indonesian attacks at several places in western Java, a dispatch from Soerakarta said that Amir had appeared with leaders of the unrecognized republic at a mass meeting opening their tour.

UNO Delegates Give Up 'Equal Status' Claim

LONDON, Dec. 19 (AP)—U. S. delegates to the United Nations preparatory commission today accepted a Russian compromise on the trusteeship issue, and gave up claims for "equal status" of interested powers in the shift of League of Nations mandated territory to United Nations trusteeship control.

The trusteeship issue, a matter of controversy for weeks, has now been passed by sub-committee action to the general assembly which meets January 10.

IDAHO FLU EPIDEMIC

BOISE, Idaho, Dec. 19 (AP)—The state health department today reported almost one thousand new cases of influenza have been recorded during the last two days bringing the current outbreak in Idaho to epidemic proportions.

Steels, Retail Stores, Planes Show Advance

NEW YORK, Dec. 19 (AP)—Steels, retail stores and aircraft generally advanced fractions to around a point in today's stock market but there were plenty of unchanged and fractionally lower issues.

The feeling in Wall Street was that the sharp selloff on Monday served as a substantial technical correction of the recent advance to 15-year highs. Tax selling still appeared, however.

The Associated Press 60-stock composite declined 1.1 of a point to 74.8 of 886 issues dealt in, 472 advanced, 251 declined and 163 were unchanged. Volume aggregated 970,000 shares against 1,350,000 yesterday.

General American investors hit a new yearly top on an increased dividend payment announcement. Julius Kayser followed the same example on a stock splitup proposal. N.Y. Central and American News also touched an annual peak during the session.

Grains Mark Dull Session

CHICAGO, Dec. 19 (AP)—The light business in grain futures straddled the market in a dull session today and prices dragged out about where they started, with fractional gains and losses.

Trading generally was in the nature of evening up commitments on December deliveries in which no transactions may be made after the close of business tomorrow. A few commission houses bought December rye somewhat actively in early dealings to cover short commitments and the price climbed as much as 3/4 cents a bushel before more general liquidation came in, forcing a decline.

Wheat closed unchanged from the previous finish, December \$1.80 1/4; corn unchanged at \$1.18 1/4; oats 1/4 cent lower to 3/4 higher, December 78 3/4; rye unchanged to 3/4 lower, December \$1.81 3/4; barley unchanged to 3/4 lower, December \$1.22 1/2.
