#### 1946 - Bill Taiti, the Carl Mays Truman Talks To Crowds at White House

At the touch of President Truman lights sprang up tonight on the nation's own Christmas tree after four years in darkness.

Although peace has come again,

"Peace has its victories no less Taitt: "He's the best 15-year-old hard won than success at arms," the president told 10,342 chilled Washingtonians huddled in the snow before the 30-foot living fir tree on the White House south

> "We must strive without ceasing to make real the prophecy of Isaiah: 'They shall beat their
