Nippon Bridges Demolished By 'Azon Bomb'

WASHINGTON, Dec. 27—(AP)—The army air forces told yesterday about another of its store of secret weapons, the "azon bomb." This is a guided missile which was first used on the Japanese Dec. 27, 1944, when a three-span steel railway bridge between Rangoon and Mandalay was destroyed by the 7th bomb group of the 10th air force.

Research since then has produced newer types of guided missiles which already have made the "azon bomb" obsolete.

The azon is a standard 1000-pound demolition which has a "radio brain" that enables the bombardier to guide it by remote control.

The accuracy of the bomb was described as having been particularly effective when used on Japanese transportation in Burma. On seven missions, 14 bridges, considered as vital links in a Japanese supply system, were destroyed by 150 azon bombs.

The cost of the bomb was not much higher than that of an ordinary 1000-pounder.

Defense Avers Doctor Sought Wife's Suicide

SAN FRANCISCO, Dec. 27—(AP)—Defense Attorney Vincent Hallinan testified today in the sanity trial of Annie Irene Mansfeld that he believed his client's husband had left a loaded revolver within her reach in the hope she would kill herself.

The society matron, who last week was convicted of manslaughter, used a pistol to kill Mrs. Vada Martin, a nurse whom she suspected of having an affair with her husband, Dr. John Mansfeld.

Hallinan, chief of Mrs. Mansfeld's counsel, told the superior court jury he believed Mansfeld hoped that his wife, in her highly-nervous state, would shoot herself with the gun.

"I cannot account in any other way for his leaving the gun where he knew she could find it," he said.

Mrs. Mansfeld shot Mrs. Martin, of Baltimore, Md., last Oct. 4. A few hours later, Doctor Mansfeld took his own life with poison.

Sugar Stocks To Be Boosted

WASHINGTON, Dec. 27—(AP)—OPA today announced provisions under which retailers and wholesalers may replenish their stocks of sugar if their inventories have been depleted.

They may apply between Jan. 1 and Feb. 16 for an adjustment but must show they are faced with hardship, as a result of depleted inventories or a shortage of ration currency.

If an applicant's actual stock is more than 50 per cent of his permanent allowable inventory, he will be granted an adjustment up to 100 per cent of his allowable inventory. If his inventory is 50 per cent or less, he will be eligible for an adjustment up to 75 per cent of his allowable stock.

OPA said that because of current scarcity of sugar, ration checks covering such adjustments will not be issued until after next March 1.

Diplomat Gives Up After Reds Bar Journey

By Joseph Goodwin

TEHRAN, Dec. 27—(AP)—Harold B. Minor, chief of the United States state department's near east section, said today he had "given up" after a 16-day wait for Russian permission to visit Azerbaijan, where an autonomous

government recently was formed.

Stating that he planned to leave for Washington tonight, Minor said "I hope my experience and the experience of American newsmen in Tehran will result in demands for a soviet statement of policy on freedom of the press and distribution of information among friendly nations."

Minor, former secretary of the embassy here, said daily inquiries at the Russian embassy had met with "polite evasions and 'sorry, we've had no answer from the military commander in Azerbaijan. Please call tomorrow'."

2 Men Held for Seattle Shoe Store Killing

SEATTLE, Dec. 27—(AP)—Two men held at Denison, Tex., on investigation, Minor asserted, "I consider a definite refusal by the soviet to allow Americans to judge for themselves if friends and allies are being allowed freedom in solving their own internal affairs."

cal warrants charging murder and robbery are wanted in connection with the shooting Dec. 13 of C. A. Stockberger during a hold-up attempt, Capt. of Detectives K. C. Anderson said tonight.

The men were identified by Texas state police as Richard Britton, 28, and Homer Britton, 22.

Stockberger, 47, was the manager of a downtown shoe store. Anderson said two men entered the store during the late afternoon rush hour, one shouting it was a "stickup" and the other forcing Stockberger into a corner at gunpoint.

The latter fired an instant later without cause and the pair fled, Anderson said.

He said two officers were leaving at once by air for Denison to return the captives.

tion season next spring.

Plans for such a support program had been disclosed previously by poultry officials. They had predicted a surplus of eggs which might cost the government more than \$200,000,000 in price support operations.

How to have a happy New Year's eve!

Almost everyone likes hamburgers and wieners—with all the fixings—at any time of day or night. Why not capitalize on this fact and have them either for a New Year's eve watch party, or else invite friends in New Year's afternoon to listen to the football game or just visit. No matter what the time would be, this menu will serve as a guide. Everything can be prepared hours in advance, with the exception of the cooking of the hamburgers and hot dogs. The main thing is to have plenty!

Hamburgers and/or Wieners on Buns
Big Bowl Potato Salad
Bowl of Hard-cooked Eggs in Shells
Potato Chips
Sliced Dry Onions in Vinegar
Green Onions
Dill Pickles
Mustard
Pickle Relish
Chili Sauce
Lots of Coffee

My friend, who specializes in hamburger parties for New Year's day, puts the seasoned meat out to about one-half inch in thickness on sheets of waxed paper. Then she cuts uniform circles with a number 2 1/2 can that has had both ends removed. She then arranges these in layers on a tray with waxed paper between and keeps them in the refrigerator until just before time to cook.

For large quantity cooking, she places the hamburgers on an aluminum tray or a drip pan and cooks two layers at a time in a very hot oven, 500° F., and she drops the wieners in a pot of boiling water that is on the stove. Meanwhile, right in the kitchen — on the drainboard or on the kitchen table — she spreads checked cloths and puts all the fixings. Paper plates, coffee cups and forks are all that will be needed in the way of dishes, except for the serving silver. Each person makes his own sandwich to suit his own taste. Sometimes there are bowls of shining red apples and cheesy popcorn for dessert.
