Housing Units Sought for OCE

MONMOUTH, April 1 (Special)—D. C. A. Howard, president of Oregon College of Education states that a request for 150 additional units of housing has been made to the federal housing agency, to come from sites in Washington year 24 units were granted OCE and these units it is believed will be ready for occupancy by June 1. It is hoped to have the 150 additional units ready by Sept. 1.

The 24 units will be placed on a 3 acre tract north of the stadium, belonging to the college. A couple of other potential sites, not belonging to the college, are being investigated for the proposed 150 units. Inspectors from the federal housing agency will visit the proposed sites as a first step in the routine of transmission of such housing units.

The local chamber of commerce will assist the college in securing a suitable site.
