New SHELL PREMIUM

a remarkable new-type automotive gasoline

Shell X-100 Motor Oil gives premium protection for today's sustained speed driving—like New Shell Premium, it stems from continuous Shell Research

New Shell Premium is a radically new kind of motor fuel! Uses only the higher-efficiency "Power-Heart" of the gasoline. For the first time gasoline is freed of the power-reducing elements present in even the finest prewar gasolines!

This new "Power-Heart" refining method makes it possible for your engine to get the maximum efficiency out of new war-developed fuel boosters. With this new all-purpose gasoline you can start your engine in a flash... get swift, even pickup... drive all day through varying heat and cold without the whisper of a knock... enjoy smooth power under all temperature conditions.

Such a radically new kind of gasoline costs more to make—yet the cost to you is no higher than for other premium gasolines!

Try a tankful of new Shell Premium today
