PORTLAND, Ore., April 25-(AP) Vernon Kennedy pitched the San Diego Padres to a 2-0 shutout over the Portland Beavers in their Pacific Coast league baseball game here tonight. The victory gave San Diego a 2-1 edge in the series. Kennedy, formerly with the Chicago White Sox, held the Beavers to two hits-both by Eddie Wheeler,

Both San Diego runs came in the fourth, and errors figured in them. Debs Garms opened with a single, but Eddie Wheeler fumbled George McDonald's sharp double play bounder, and both were safe. John Jensen moved them up with a sacrifice and on a 3 and 2 count, Glenn Rice punched a fast ball for a single to center to bring in both runners. Roy Helser, losing hurler,

## PORTSLIGHTNER Sportie sorties: Box and reserved seats for the Waters opener Tuesday night are all gone and have been for a week. But Biz Boss George Emigh would like it known that over 5000 seats are still available in both grandstand and bleachers. So don't worry about getting a perch Tuesday night. There are lots of 'em left which won't go gather to decide the 1946 cinder championship. Defending champions, on sale until Tuesday night. . . . That Wilson of McMinnville's 1940 track team who holds the No Name-Big-6 league record of 4:36 in the mile run is the same Don

Wilson who now masterminds athletics at Molalla high. . . . . Speaking of tracksters, Bend Coach Claude Cook, the ex-Willametteer, believes he has the makings of a pole vaulting great for the future in George Rasmussen, the sinewy kid who'll be vaulting for the Lava Bears in the Big-6 outing on Olinger today. Rasmussen warms up at well over 12 feet, says Claude, and the state record is but 12-1. The kid is apt to hit 13 feet by the time the state meet rolls around next month at Corvallis. The apparent mability of Steve Gerkin, lean and long Senafor pitcher, to impress as one who actually started 12 games for the Connie Mack Philly A's last season, shouldn't be taken with alarm. True, Steve hasn't hurled like a hot-shot in his spring camp appearances and because of that, Mgr. Frisco Edwards opens the season with Ed Kowalski on the Solon hillock in Yakima tonight. But Steve must have what it takes to win. We've checked the 1945 American league records to find the following on the Thin Man who toiled for the lastplace A's: Won 0, lost 12 (but three of those losses were 3-2 to the Browns after blanking them for seven innings, 4-3 to the same Browns in 11 innings and 2-1 to Washington when Marino Pieretti beat him after Steve allowed only six hits), pitched in 21 games and 393 innings and had an earned run average of 3.62, which is very respectable. In fact, that ERA is even better than the 3.67 turned in by Salem's Bill

Bevens with the Yankees, and Bill led the Yanks with 13 victories for the year! There's the difference in playing on a poor club. Gerk's Szasz to Meet ERA was also better than those posted by such veterans as Stubby Overmire of the Tigers, Jim Bagby, Mel Harder and Yank Terry. So we'd say Slim Steve does have what it takes.
