YOU CAN GO TO COLLEGE, TRADE or BUSINESS SCHOOL WITH EXPENSES PAID

You are living in a world of skilled specialists. A good education is becoming more and more valuable—and more necessary—every day. With the technical, mechanical and scientific progress that has been made in every field of endeavor, you've got to be "in the know" to get ahead. And the U. S. Government is giving you the opportunity to get the education you want—and need—in whatever specialty you want to take up.

Under the GI Bill of Rights, if you are over 18 (or 17 with your parents' consent), mentally and physically fit, and you enlist for 3 years in the new peacetime Regular Army before October 6, 1946, you will be entitled to 48 months of college, trade or business school education after you are discharged. (You must, of course,

meet the necessary entrance requirements.) The Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, and will give you, in addition, \$65 a month living allowance (\$90 per month if you have dependents).

Meanwhile, in the Army you may have the experience of traveling to foreign lands . . . doing interesting work . . . studying one or more of 200 absorbing skills and trades in fields ranging from aviation to electronics. You'll be well paid, well clothed, well cared for.

Don't miss this opportunity! Get all the facts at your nearest U. S. Army Recruiting Station and ENLIST NOW!

Highlights of the Armed Forces Voluntary Recruitment Act

1. Enlistments for 1½, 2 or 3 years. (One-year enlistments permitted for men who have been in the Army six months.)
2. Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in Army, who may reenlist at any age, and former service men depending on length of service.
3. An increase in the reenlistment bonus to \$50 for each year of active service since such bonus was last paid, or since last entry into service.
4. Up to 90 days' paid furlough, depending on length of service, with travel paid to home and return, for men who reenlist within the prescribed time after discharge.
5. A 30-day furlough each year at full pay.
6. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.
7. Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters

- pay after 30 years' service. (Retirement income in grade of Master or First Sergeant up to \$185.25 per month for life.) All previous active federal military service counts toward retirement.
8. Benefits under the GI Bill of Rights for men who enlist before October 6, 1946.
9. Family allowances for the term of enlistment for dependents of men who enlist or reenlist before July 1, 1946.
10. Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.
11. Reserve and A.U.S. commissioned officers released from active duty may be enlisted in Grade 1 (Master Sergeant) and retain their reserve commissions, provided they enlist within the prescribed time.
