## River, Harbor Measure on Way to Senate

Expenditure of \$900,000,000 for navigation, flood control, hydroelectric power and related works throughout the country is provided by the bill.

While the bill makes no appropriation, the 50 approved projects become eligible for construction

when and if congress votes the money. The bill now goes to the senate.

Oregon projects included: Coos Bay, Ore., \$5,689,000; Columbia and lower Willamette river above Astoria, \$1,044,000; Columbia river, Vancouver, Wash., to The Dalles, Ore., \$76,500; Columbia river, Foster creek, Wash., \$71,000,000.

## Oyster Festival Expected to Draw Many Thousands

Walter Petteys of the Bay City Chamber of Commerce and Jim Kelly, secretary of the North Tillamook county Chamber of Commerce, called on Gov. Earl Snel-

on Thursday to invite him to attend the Oyster festival at Bay City on Tillamook bay, June 15-16. The festival is the revival of an annual event suspended during the war.

A free oyster feed is promised those who attend. The oysters will be prepared in an open pit, baked barbecue style and served with a special Bay City sauce. In

1941 more than 14,000 guests were served and a larger number is expected this year.

The visiting representatives say that participation of the navy and of dignitaries from over Oregon is assured. Mayor Earl Riley and Commissioner Kenneth Cooper of Portland are expected to represent that city. Navy detachments from Astoria and the Tillamook blimp base are expected and Captain Ard, USN, will deliver an address.

## Wage Cost Hit By Shipowners

WASHINGTON, June 6.—(P)—West coast ship operators said last night that coastal and intercoastal service, in effect, "already nationalized."

Coastwise shipping is "nearly gone" and intercoastal craft now operate only at the cost of the government," declared John B. Bryan, president of the Pacific American Shipowners association. "There is no question that the present union wage demands do mean the end of the merchant marine, except as public and the congress decide to support its operation," Bryan said.

It is estimated that 7.6 pints of fluid milk are consumed weekly per capita in the United States; 7.17 in Canada; 5.2 in the United Kingdom; 5 in New Zealand, and 4 in Australia.

### Cute tricks with June vegetables

Double your enjoyment of the grand variety of colorful, garden-fresh vegetables that are plentiful in June by preparing them in different ways. Take a look at these bright ideas on the subject.

### MAIN DISH EGGPLANT

Cut eggplant in half lengthwise and parboiled for 15 minutes. Scoop out center, mash and combine with chopped cooked meat, 1/2 cup of bread crumbs, grated onion, and seasonings to taste. Add a beaten egg and mix well. Refill shells, dot with butter or margarine, and bake in hot oven (400° F.) for 15 minutes. Serves 4 to 6.

### CARROTS AND SQUASH

Cut carrots and zucchini or Italian squash in thin slices, and steam in just a bit of water until tender, about 10 minutes. Season with salt, pepper, onion juice and sprinkle with grated cheese to serve.

### BROCCOLI

Season cooked broccoli with salt, pepper, and a tablespoon or two of orange juice. Top with grated orange rind to serve. Simply delicious!

### GLORIFIED GREEN BEANS

For a pleasing new flavor, sprinkle green beans with a bit of nutmeg just before serving.

### SPEED-EASY FRIED POTATOES

If you want tasty potatoes in a hurry, try this method. Shred potatoes and onions and brown in hot fat, stirring frequently. Then add just a bit of water, cover, and steam for about 5 minutes. Try yams or sweet potatoes this way, too. They're ready in no time at all.

### CREAMED RADISHES

Trim radishes leaving about 1 inch of stem. Cook uncovered in salted water to cover, 15 to 20 minutes or until just tender. Drain and add to white sauce. They are like the most delicate flavored turnips.

### FRIED ONIONS AND CUCUMBERS

Truly tasty as an accompaniment for steak or liver. Peel and slice cucumbers and onions and saute in hot fat until golden brown. Season with salt and pepper.

### TOPPED ASPARAGUS

Cook asparagus stalks separately from tips. When tender, drain and mash stalks, adding a bit of evaporated milk and butter or margarine for a creamy consistency. Season and serve as a sauce over the asparagus tips.

June is the month to treat your family to a vegetable spree! The wide variety of green foods in season right now makes it easy to enjoy salads and tempting cooked vegetable dishes aplenty.
