Stock Market Takes Beating

NEW YORK, June 20-(AP)-Exceptionally "thin" blue chips fell sharply on relatively small sales in today's stock market and gave the over-all average one of its worst beatings of the past nine years.

Reasons given by brokers for the tumble varied. Little in the spot news picture could be found to account for it.

At the close losses of 1 to about 20 points were widespread and the market was one of the broadest of 1946 to date. The Associated Press 60-stock composite fell 1.9 points to 78.1, widest reaction since Feb. 25 when the decline was 3.4 points which, in turn, was the largest since Oct. 18, 1937. Transfers of 1,310,000 shares compared with 1,010,000 Wednesday.

Bonds followed stocks on the backtrack. Cotton eased 35 to 60 cents a bale. At Chicago all grains remained at ceilings.

Grain Trading Marks Time

CHICAGO, June 20-(AP)- The grain trade marked time again today, watching Washington for developments on OPA legislation and doubting if there would be any break in the present stalemate before the end of the month. A few sales were made in oats at the 88 cent ceiling.

Cash trade also was very much in the doldrums. Purchases for future delivery amounted to only 15,000 bushels of corn and 20,000 bushels of oats. Farmers were waiting to see what would happen to price controls before sending feed grains to market.

Although marketing of old crop corn and oats was at a low level, movement of new crop wheat was expanding rapidly. A large part of the grain will go to the government but some will be available to millers and other commercial interests. Primary receipts today totaled 2,283,00 bushels against 1,819,000 bushels a year ago.

England did not use the ballot system of voting until 1872

Elected

Jack W. Crane of Gas-Heat, Inc., 2775 Cherry ave., has been elected a member of the national board of directors of the Liquefied Petroleum Gas association, it was announced by Charles O. Russell of Des Moines, Iowa, the new president, in a dispatch Thursday. Crane is the Oregon state representative on the new board and was named in an election in which all members from this state participated.
