Disarmament Treaty Plan

By Joseph Dynan

PARIS, July 9 -(AP)- Foreign Minister V. M. Molotov and Secretary of State James F. Byrnes clashed today over America's proposed 25-year German disarmament treaty, informants reported.

Norman R. Speiden, curator of the Edison library, said he doubts Byrnes asked that the special the fountain pen prediction, bedeputies be named now to concause Edison rarely used a pen, sider all phases of the German problem for a report to the next However, no one has examined series of meetings by the fourthe desk since Oct. 18, 1931, power foreign ministers, presumwhen Edison died. It was the inably next autumn. French and ventor's personal sanctum, and American informants said there it was rarely violated during his was no immediate response from the other ministers.

In the course of an hour-long statement assailing this American proposal, Molotov today accused Britain, France and the United States of breaking the Potsdam accord on German reparations to

According to American inforoudget estimate of \$170,000, State mants, Molotov also branded the suggested 25-year treaty to prevent rearmament of the Reich as "wholly inadequate." The Byrnes proposal does not guarantee demilitarization of German war industry or the political denazification of the Reich, the Soviet foreign minister said. Molotov added that it would not insure against a rebirth of a spirit of aggression in Germany. Molotov said, such a treaty to be effective should be in force for at least 40 years.

In reply Byrnes accused Russis of violating the Potsdam ac-Harold E. Stassen, former Minne- cord by making levies which were Minnesota primary election results pointed out that under the Pots-
