Yankees Draw Without Lure

NEW YORK, July 24-(AP)-In a little more than half a season's play the New York Yankees this year bettered all attendance records for a full season, leaving room for speculation as to what might have happened had the club offered more of a lure than newly,installed lights, gaudy trappings and other Macphalia. That is, although the Yanks are in second place they are not in what might be called a stirring pennant fight, as the Boston Red Sox long since have demonstrated that this is to be their year.

The club has no outstanding individual attraction, no Bob Feller or Ted Williams, although it is admitted these gentlemen have done more than a little bit to boost the attendance on their periodic visits here. It might have been that Joe Di Maggio could have been the lure, as when the Yankee clipper is clipping he is fan bait of the first order, but Joe has been off form this year and his lure consists chiefly in the fans' hope they will be present when he snaps

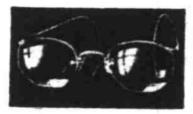

out of it. Everything considered, the Yankee attendance is nothing short of astounding. If the team was the Bronx Bombers of a few years ago, if it had a Babe Ruth. you could view the booming attendance with less astonishment figuring that the great club and the general increase in sports interest and attendance were responsible.

What one man can do to send attendance soaring has been demwith a 74 in the amateur field this week, demonstrates how he onstrated, chiefly by Bob Feller. swings club with one hand. The Tam starts Thursday, (AP Wire-Williams naturally is a great attraction and some day may match Ruth's drawing power.

BETTER THAN PRIVATE INVESTIGATION

There's an ancient way in which a purchaser might satisfy himself of clear title to land. That is through an exhaustive review of all deeds, wills, marriages, heirships and other documents by which the property has been conveyed, mortgaged, leased or transmitted over a long period of time. The purchaser of land who protects himself with a Commonwealth Insured Title avoids this endless detail, knowing, too, that no flaw will exist in the title to cause loss.
