EVEN AT 60 M.P.H. NEW TIRE OUTWEARS PREWAR TIRES

Now You Can Order These Tires for Your Car. Here is your answer to "Will today's tire stand up under a long grind at high speed?" In a test of the new B.F. Goodrich tire, test cars were driven steadily at sixty miles per hour, hour after hour, averaging over a thousand miles a day in all kinds of weather. Side by side on the wheels of these cars were prewar tires and the new B.F. Goodrich tire. Tires were shifted from wheel to wheel so that both took the same beating. The new B.F. Goodrich Silvertowns outnair the prewar tires — showed less wear — were good for thousands of extra miles. We are receiving regular shipments of these new B.F. Goodrich Silvertown tires. See us today. Convenient Terms on Our Thrifty Budget Plan. Listen to the new B.F. Goodrich radio quiz "Delect and Collect" with Lou Lehr at M. C. on ABC network, Saturday evening.
