Donkey Ball Battle at Waters Tonight

With laughs, lots of 'em, as certain as the grass is green. the anticipated donkey baseball game is set for tonight at Waters park. Game time will be 8 p. m. and will feature, along with the trained but unpredictable asses, the Salem Sand & Gravel baseball juniors up against an assortment of adult Eagles lodgers, augmented by players from their junior nine.

Anyone expecting a close resemblance to a baseball battle should stay home. But anyone anticipating a goodly portion of mirth will not be disappointed. Pitchers, catchers and batters will pursue usual habits while stationed on the ground. But

Fish Prospects 'Fair'

PORTLAND, Aug. 29 -(A) Oregon can hold out only "fair" prospects for fishermen this weekend, the state game commission said today in its weekly bulletin.

The outlook by districts: Washington county - streams low, fishing poor; some fair trolling on the Tualatin river. Columbia county-good catches of spiny-rayed fish from beaches and sloughs along Columbia, above average catches of catfish and perch taken from Willamette slough; occasional catches of trout at mouth of Lewis river, but trout angling still generally poor.

Clatskanie-Bag limit catches of catfish, perch, bass and crappies in slough, but other streams too low. Clatsop county streams low, fishing fair; trout angling should become good as soon as there is a freshet. Harney county - angling poor. Lake county - best catches in Dairy creek, lower Elder creek, upper Chewaucan river.
