money . . . Why not sell that car today and get the higher dollar for it? See us at once-

On October 1 we added a business opportunities and business properties department with Mr Jake Foos, Jr. in charge In line with our policy of specialized service Mr. Foos will devote all of his time exclusively to listing and selling business enterprises with or without real estate—service stations, stores, garages, larger spartment houses, vacant business property, industries, etc. More office space has been provided so that our farm and acreage department with LeRoy Johnson in charge, and our residential properties department—city and suburban homes and home sites, subdivisions, etc—under the direction of Chet I Nelson, can handle more property with speed and efficiency. Office management, escrows, loans, insurance, etc. will be supervised by Theo. G. Nelson. 1946 Ford 11/2-Ton Truck, Eaton axle, new. 1934 Dodge Flat Bed, runs fine.
