

Farm Labor Office Places 2624 in Month

Placement during October of 1631 men, 660 women and 323 youths on seasonal harvest jobs in the Salem area was reported yesterday by the local farm labor office.

The office received orders last month from 140 growers for help in the harvest of walnuts, filberts, apples, corn, potatoes, glad-olia bulbs, onions and carrots. The office also reported placement of 17 men and three women on full-time jobs with farmers who have furnished housing.

Current harvesting is going on in walnuts, potatoes and bulbs, all of which have about 10 days to go. In about two weeks harvesting of carrots and parsnips for "fresh" local markets will begin and will continue through the winter. Digging of winter turnips will start in about 14 days, the office reported, and will last approximately two weeks.

The office reports no shortage of available labor supply. Applicants seeking work are coming to the office daily. Mrs. Gladys Turnbull, farm labor assistant, stated. Most of the job seekers, she said, were migrants who have decided to spend the winter in the Salem area.

Music Meet Set for Albany

School music competition in this district will take place next spring in Albany, it was decided yesterday at the annual business meeting of the Oregon music educators association held on the Willamette university campus. Vernon L. Wiscarson, Salem public schools instrumental music supervisor, will have charge of the annual music competition under national standards throughout the five Oregon districts.

Dates for the district competition in which Salem school musicians will participate were set at April 18 and 19. Last year first division ratings were won by five of six Salem senior and junior high school bands and orchestras.

The educators' conference yesterday included several musical clinics conducted by teachers from several sections of the state, some assisted by their pupils. At a noon luncheon in Hotel Marion, Vincent Hiden, west coast educational adviser for Radio Corporation of America, spoke to the group.

To be certain that your car is in good condition for winter driving, have it checked before winter comes.

Police Have Last Word in Driving Spree

"Always pass on the left side" is a good motto. It's the law, too, and very applicable, especially when passing policemen. Two Salem drivers, Dean and Wayne E. Mahaffey, both of 1076 Highland ave., were fined \$7.50 each in municipal court yesterday after passing two city policemen on both sides of Halloween night.

Officers Orrin O. White and Leonard Skinner were driving to work in uniform, Thursday night when the Mahaffey brothers, in two cars, drove up behind them, then passed, one on the right side, one on the left. Continuing west on Center street, they repeated the act a short distance ahead of the two policemen.

They gave chase. Motioning the first driver to stop with a spotlight, they took him to the police station, apprehending the other minutes later, a few blocks away.

Boys Fined for Sign Chopping

Two Salem youths were fined \$25 each in municipal court yesterday when charged with destruction of public property as a result of their Halloween activities. Found guilty of chopping down street signs, they are David Madsen, 16, of 875 Ford st., and Donald McDonald, 17, of 1232 N. Liberty st.

Police are conducting an investigation to learn who scattered roofing nails in their parking space at city hall, causing flat tires on two squad cars. Thirty-five similar nails caused three flat tires on the car of Policeman Orrin O. White when he drove into his driveway after going off duty the morning after Halloween.

Man to Lose Eye As Result of Wreck Near Monmouth

Wayne E. Torrey of Portland will lose his left eye, as a result of an automobile accident near Monmouth last night, the attending physician at Dallas hospital said, state police report. He also has a broken nose and possibly fractured skull.

A passenger with James William Goff in a car driven by Richard A. Smith, both of Portland, enroute home from a football game at Corvallis, Torrey was injured when Smith failed to negotiate a turn on state highway 51, about 1/4 mile east of Monmouth. The car rolled over several times, according to reports.

Smith and Goff are reportedly in Dallas hospital with injuries not considered serious.

Law School Alums Meet

James Beddingfield of Coos Bay was elected president of the Willamette university college of law at its first organization meeting last night at Nohlgren's restaurant. Circuit Judge E. M. Page presided at the dinner meeting. About 60 attended.

Allan G. Carson, Salem, was elected vice-president and Robert DeArmond, Salem, is the secretary-treasurer. Paul Geddes, Roseburg; John Ebinger, Klamath Falls; and Samuel M. Bove, Grants Pass, were named to the executive committee.

County Bureau Plans Child Conferences

Two child health conferences and a child guidance conference are on this week's schedule of Marion county health department activities. The calendar announced by the department yesterday shows:

Bevin in U. S. For Big 4 Meet

NEW YORK, Nov. 2—(AP)—British Foreign Secretary Ernest Bevin declared tonight there is no need for despondency over the big four efforts to write a final peace for Europe and called for "care, patience and tolerance" in formulating treaties for the five vanquished satellites of Nazi Germany.

Arriving aboard the Aquitania for the four-power foreign ministers session which opens at 4 p.m. Monday to settle the peace that the United Nations is pledged to keep, Bevin said: "One thing is quite clear and that is that everybody wants peace and is tired of conflict and turmoil."

CHINA OFFENSIVE BEGUN

PEIPING, Nov. 2—(AP)—Chinese government armies unleashed an offensive along 150 miles of battle-torn Shantung's coast today in an effort to trap thousands of Chinese communist troops in seaborne flight from their imperiled footholds in south Manchuria, press reports said.

County Bureau Plans Child Conferences

Two child health conferences and a child guidance conference are on this week's schedule of Marion county health department activities. The calendar announced by the department yesterday shows:

Tuesday—Clinics for school and pre-school children at Silverton school, 2 to 4 p.m., at Mt. View school near Silverton, 10 a.m. to 12 noon and Brush Creek children at Eugene Field school 1-2 p.m.

Wednesday—Scotts Mills child health conference, 1:30 p.m. at the elementary school (Thomas and

Crooked Finger school children included); Garfield school clinic, 9 a.m. to noon; fluoroscope clinic at Salem Deaconess hospital, 1-2 p.m.

Thursday—All-day child health conference at health office and Garfield school clinic, 9 a.m. to noon.

Friday—Child guidance conference at health office, 1-5 p.m., and milk and food handlers clinic at health office, 9 a.m. to 5 p.m.

Saturday—Immunization at health office.

Unborn Babe Wounded In Hunting Accident

WINTHROP, Me., Nov. 2—(AP)—A 23-year-old woman, shot in the abdomen in a hunting accident today, gave premature birth soon afterward to a daughter who Dr. Leon Herring said had a bullet wound in the left thigh.

Mrs. Arthur Laughton was reported in "fair" condition and the baby in "questionable" condition at Augusta General hospital.

Wearing Glasses Is a Joy

Precision ground glasses are comfortable and stylish; they will increase the joy of living and give you a clear, perfect vision for better work and play. We have a wide selection of modern frames of plastic or gold for both men and women.

TO MARION COUNTY VOTERS OUTSIDE SALEM:

Don't Drop Your REAL Electric Bargain for a Promoter's Promise

people now enjoy. See how much higher PUD rates are.

Clatskanie PUD	Central Lincoln PUD	PGE "All-Electric" Rate
\$6.70	\$11.00	\$5.70

The amounts shown above are for 500 kwh. of electricity, which the Federal Power Commission states to be the average amount consumed per month in an "all-electric" home. The Central Lincoln PUD charges practically double the amount PGE customers in Marion County now pay for low-cost Bonneville electricity, regardless of how much electricity is used! and bear in mind that approximately 20c of each dollar you pay PGE goes back to the public in the form of taxes.

Aesop's Fable of the Dog and the Shadow

A dog found a piece of fine meat and was crossing a stream on his way home, when he saw his own shadow reflected in the water below. Thinking it was another dog with another piece of meat, he resolved to make himself master of that also; but in snapping at the supposed treasure, he dropped the piece he was carrying, and so lost all. Moral: Don't grasp at the shadow and lose the substance.

OREGON PUDal Electric Rates are HIGHER than PGE Customers Pay

The PUD power program which promoters are trying to sell the people of Marion County on the November 5th ballot is as much of a delusion as the shadow was to Aesop's dog. As shown by the record of other PUDs, it more likely will bring higher rates and poor service.

Only two PUDs in Oregon so far are selling any electricity to the public. They are the Central Lincoln County and Clatskanie PUDs located on the Oregon coast.

Compare their excessive charges with the low cost of PGE-Bonneville power which Marion County

THE CARDS ARE STACKED

Examine the "five cards" below which the PUD promoters are trying to slip the public from the bottom of the deck. And remember, in this sort of game, you can't draw new cards for ONCE YOU'RE IN A PUD YOU CAN'T GET OUT!

1. Creation of a New Tax-Laying Body. The PUD sets up a new tax-laying agency with powers to assess new taxes without your further vote.
2. Political Mismanagement. Promoters are in the gravy when they get the public to bite on their PUD schemes. In the State of Washington PUDs have milked \$2,552,809 of taxes from the suffering public.
3. Bond Loans on Your Property. Under the law, PUD can use its taxing power to elector for general obligation bonds up to \$2,720,000—less on your property.
4. Bond Loans on Your Electric Bills. The PUD can tax you, and then elector for any amount of revenue bonds—less on your electric bills.
5. Higher PUDal Electric Bills. Only two PUDs now sell electricity in Oregon. Both charge higher rates than Marion County citizens now pay for PGE-Bonneville electricity.

KEEP WHAT YOU HAVE

1. Low-cost Bonneville Power.
2. Local, non-political management of your electric system.
3. Regulation of electric rates and limitation of profits by your own state government.

VOTE 319 X NO

Against the PUD Gamble Nov. 5
