## 1st Quarter Drive, Two Aerial Interceptions Pave Way to Win

**By Matt R. Kramer**  
 PORTLAND, Ore., Nov. 30—(AP)—Oregon State's Beaver backfield turned Washington Husky passes into a 21 to 12 victory on a soggy gridiron here today to capture second place in the Pacific Coast football conference.

Both teams ignored soft footing to unleash wide open attacks. The Beavers' interceptions proved the margin of victory. Oregon State scored first after seven minutes of play. A ground attack, featuring weak side reverses with Halfback Don Samuel carrying, moved the Beavers from their own 39 to Washington's 28. The Huskies held there, and Samuel tried the air route. It was an 18-yard toss to Fullback Ken Carpenter, who took the ball on the 10 and

paced across untouched. Reserve Quarterback Warren Simas made the first of three conversion kicks.

The second score came early in the second period as the Huskies turned to passing. A toss from Halfback Larry Hatch bounced off Halfback Brooks Biddle's hands and Quarterback Bob Proctor of Oregon State snatched it on the Washington 40. He raced down the sidelines, pausing only to let two Washington tacklers overshoot him, to the Beaver touchdown.

Washington countered after Guard Gordon Berlin recovered a Beaver fumble on the Oregon State 37. Two passes from Back Fred Provo did the trick, the second one good for 12 yards to End Ernie Stein in the end zone. The conversion try was blocked.

That made it 14-6 for the Beavers, who lost no time in increasing the margin as the second half opened. Halfback Dick Twenge intercepted Proctor on Washington's 37, and in six plays the Beavers punched over, Twenge going the last two yards over tackle.

Washington kept the Beavers worried with accurate tosses, and finally cashed in after intercepting a Beaver pass on Oregon State's 35. Provo set up the score by a 31-yard aerial to End Bob Nelson. Provo added three yards around end as the third quarter ended.

Fullback Sam Robinson plunged over from the yard line on Washington's final score on the first play of the final period. Thereafter play ceased, with Oregon State once going to the Washington nine, and the Huskies penetrating to the OSC 20, just before the final gun.

The final conference game of the season, it was witnessed by 26,808 fans.

**Spartans Whip Cougars, 26-20**

EAST LANSING, Mich., Nov. 30—(AP)—Washington State college's double-T system wasn't quite potent enough in the final half today as Michigan State college piled up three touchdowns in the last two quarters to come out on top in a thrill packed game, 26 to 20.

The teams were deadlocked at the half, 6-6, but the winners pushed over a pair of touchdowns in the third period and added another in the final chapter. The Cougars scored once in each of the last two stanzas.

The victory gave MSC a season five, lost five record for the season while Washington State finished with but one victory and one tie in eight games.

## Webjots Not Only Ones Interested in Al

If Oregon wants Al Simpson as successor to Tex Oliver—and the Eugene are certainly interested—then Oregon had best snap her rubber. The California sports columns have been full of Simpson lately, particularly around the San Francisco bay area—the same area which Golden Bear Frank Wickhorst is finding quite warm these days. Also, the Idaho Vandals, unhappy with their dismal season just past, and now without a coach since Babe Brown's resignation.

## Bearcat Hoop Team to Work

Their opener with Vanport Athletics just six days away, Willamette university's 1946-47 basketball team will return to stepped-up drills Monday following a long Thanksgiving holiday layoff last week. Coach Elmer Schaeke, now through with football for the season, will devote full time to the cage squad.

The battle for starting berths is still wide open on the squad with Letterman Fred Graham, Wes Saxon, Gordy Kunke, Marshall Barbour, Dale Bates, Duane Ragsdale and Ollie Williams getting stern competition from Al McRae, Ron Runyan, Bob Perry, Scotty Sebern and Frankie Page. McRae is classed as the tallest player on Schaeke's smallest outfit. McRae is six-feet, three-inches tall.

Following Friday night's inaugural on the Willamette boards, the Cats tangle with Oregon State at Corvallis December 10 and then again at Willamette December 14.

## Basketball Due In Valley Loop

WOODBURN, Nov. 30—(Special)—Their football logs stretched away for another season, Willamette Valley leaguers this week turn to the basketball courts to prepare for one of the most promising seasons in history. Coaches will step up drills to full tempo this week following initial turnouts last week at most schools.

The nine league teams have but two weeks in which to prepare for opening action, as the annual jamboree falls at Mt. Angel Friday night, December 13. Four days later the teams open their 72-game double round robin schedule. The openers, due for December 17, find Molalla at Canby, Woodburn at Sandy, Estacada at Silverton and Mt. Angel at Dal-Verston. Stayton draws the opening bye.

Strong clubs are expected from Molalla, Canby, Sandy and Silverton this year. All four outfits will be sprinkled with veterans.

There have been reports that Walt Erickson, because of rustiness—six years away from the megaphone—are costly to football coaches—had his downs as well as ups as WU's skipper during the season. All of which was fully expected when the former Camas high tutor took over the Bearcat post. He knew more than anyone that it would be rough. But take a look and be satisfied that he had a successful season. Six wins, a tie and two losses—the six victories against no defeats in the Northwest conference and the tie with always rugged Portland U—isa record which indicates a football coach isn't getting to sleep peacefully at night. . . . The bartering during this week's major-league baseball convention in Los Angeles is expected to be the most strenuous in history. But Heaven forbid the Phillies, dominants of it all with Yankee Bill Bevens! Senator Biz Boss George Emigh will attend the conclave and may be able to maneuver the deal he has had in mind for some time—peddle Woody Salmon and Long Lee Fallin for an A-1, first-class, top-rate pitcher. And since the annual convention draws all sorts of characters from all over the country, we too will attend during a 10-day vacation in Los Angeles. . . . Speaking of baseball deals, the St. Louis Cardinals have come up with 1940 Senator Catcher Cliff Barker via the draft. Barker was plucked from the Boise nine in the Pioneer league and is to report to the Decatur, Ill., Cardinal farm in the Three-I loop next time. . . . Fistic funny: The Hoax-Lacey armory brawl Wednesday night did \$1700 at the gate, more than Portland auditorium shows did the last two weeks' nights. Our village seems to be growing in the sports world, wot?

# Davis-Blanchard Era Ends 'Drugstore' Warm-up

By Harold Classen  
 NEW YORK, Nov. 30—(AP)—The Glenn Davis-Felix Blanchard era of college football came to an official close today with a 21 to 18 victory for Army over Navy in Philadelphia. But is likely that arguments of the nation's drugstore quarterbacks over the reported "fast clock" will be as long as the string of 28 games without a defeat the Army's touchdown twins helped build during their three years together.

President Truman and 102,000 other spectators saw the Navy carry the battle to the favored Cadets with such fury that the Middles were three yards from victory with five seconds to play.

## Irish Trounce Trojans, 26-6

Tiny 'Nth Stringer Paces Leahy Victory

SOUTH BEND, Ind., Nov. 30—(AP)—A tiny Texan, 160-pound Coy McGee, fired Notre Dame to a reluctant 26 to 6 closing triumph today over stubborn Southern California to give Irish Coach Frank Leahy his first undefeated season since 1941 before a capacity crowd of 56,000 at Notre Dame stadium.

As slashing and explosive as the Irish were in piling up their eighth victory against a scoreless tie with Army for the season, they couldn't stop the inspired Trojans from scoring the first touchdown against Notre Dame's first stringers and making it a 13 to 6 ball game by the final period.

McGee, whose first name Leahy couldn't recall for sports writers in early practices, streaked 77 yards for the first Irish score in the second quarter, seconds after he galloped 50 yards on another break-away. The Longview, Tex., fireball launched a 13-point Irish attack in the final period with an eight-yard payoff jaunt around end.

## Hoop Official Exams Monday

The annual Oregon High Schools Activities association basketball officials examination, a "must" for all those who intend tooting whistles in prep basketball play this season, will be conducted at the senior high school, room 108, Monday night, Athletic Director Vern Gilmore has announced. The exam will start at 7:30 p. m. sharp and will be the only exam given in Salem this season. All officials must take the exam to be certified.

Thus the slate was clean for UCLA's clash in the Rose Bowl New Year's day with the University of Illinois, whose scouts saw little new in the free-wheeling Bruin machine today. Coach Bert Labrucherie used his best speed burners, and the Bruins rolled up yardage by the mouthful against a stubborn Cornhusker squad that never surrendered until the end.

# Army Ekes 21-18 Win Over Middies

Clock Saves Cadets with Navy Threatening from 3 Yard Line

MUNICIPAL STADIUM, Philadelphia, Nov. 30—(AP)—Army's enervating Cadets wound up their three-year run unbeaten today, but only by the squeaky margin of three extra points, as the Navy picked itself off the floor from its worst season in history to battle the mightiest gridiron machine of a generation to a standstill.

The score was 21 to 18, and the only reason the impossible didn't happen was because the monster and his playmate—Doe Blanchard and Glenn Davis—set the first half, and the Middie kicking toes couldn't hit the bulls-eye.

From the start of the second half it was Navy's ball game, as the up-to-now meek Middies, mauled and manhandled in seven straight starts up to today, gave the Cadets the fight of their lives before they were able to come home with that bare three-point edge.

It was a slashing, smashing battle these fiercely fighting future admirals put up—a fight that saw the sixth dug in on Army's five-yard line and still rolling when the clock ran out of time to put an end to what appeared the makings of one of the most amazing upsets this game of holeskin mayhem has ever seen.

## 3 Willamettes All-Conference

NW Chooses Deiner, Goodman, McKeel

PORTLAND, Nov. 30—(Special)—Three Willamette university football players along with three also from Pacific, two each from Linfield and College of Idaho, and one from College of Puget Sound make up the 1946 Northwest All-Conference team selected here today by coaches and faculty of Northwest conference schools.

Bearcats named for top honors are Marv Goodman, end; Garrell Deiner, tackle; and Larry McKeel, back. Goodman and McKeel were unanimous choices. Catmen Bill Reder and Bob Douglas made the second team at end and backfield spots, respectively.

Conference officials drafted the 1947 basketball schedule but did not complete the next year football slate.

All-Conference team: Ends—M. Goodman, Willamette; Torgerson, Pacific Tackles—G. Deiner, Willamette; S. Thomas, Coll. Idaho; Guards—W. Currier, Linfield; B. Dahlgren, Pacific Center; M. Anderson, Pacific; Backs—G. Gooden, Willamette; B. Woods, CPS; J. Seeley, Linfield; T. Oxman, Coll. Idaho.

Second team: Ends—B. Reder, Willamette; Groves, Linfield; Tackles—Howe, CPS; Capozzi, UBC; Guards—R. Bowen, Willamette; Center—V. Martineau, CPS; Backs—B. Douglas, Willamette; Russell, Pacific; Winberger, Coll. Idaho; Rebins, CPS; Honorable mention including the following: Willamette, Ends—Cookingham and Bohnenkamp; Tackle—Jacobson; Backs—Wickert and Slanich.

Redskins lost to Green Bay. Leading the eastern division of the National Football league by a full game with two to play, any combination of two Giant victories or Redskin losses would assure Bert Bell's league of a New York-Chicago Bears title playoff December 15.
