THIS FIVE ACRE AUTO COURT
With 650 feet of highway frontage has plenty of room for expansion. It consists of owner's three bedroom home, six cottages to rent, plus laundry cottage, gas station, water-tank on high tower. Spring water and trees enough to keep the ocean sand from drifting. The price is \$30,000 and in comparison to prices others are asking for their auto courts we believe this to be a real bargain. Owners will consider other property in an equitable trade up to \$15,000 in value; the balance can be financed on easy terms.
