### Miscellany

Readers Send in Ideas, Writer Passes Them On; Winter Dishes Featured

Miscellany of ideas.

For an easily prepared main dish and vegetable combined, stuff half acorn or Danish squashes with canned, highly flavored meats. Apples may be cut finely and added to the mixture, too.

Fresh pears, just a bit on the underdone side, make good pie when treated just as other fruits. Merely squeeze a little lemon juice over them and sugar to taste, make with top crust or lattice crust.

Last of a turkey, veal roast or chicken might appear as a meat pie, bolstered up with onion, carrots and potatoes. With a bowl of combination salad and some hot biscuits it makes a pretty good meal.

Grate a little cheese into the dough that covers the apple pie. It will provide interesting flavor.

Don't forget prune whip as a dessert that requires little sugar to make sweet.

A Statesman reader writes that "Prunes are very nice to cook without sugar. Take out seed and slice, cook slowly down until very thick and seal." That's for fresh prunes, and it also goes for dried prunes as a breakfast fruit. A compote of several dried fruits require little sugar and if spiced mildly and served hot for breakfast they make an excellent breakfast dish.

Apples and sweet potatoes make an excellent casserole dish, especially when a few nuts are added.

French onion soup, recipe for which may be found in any good cookbook, is an excellent Sunday night supper dish.

Now that whipped cream's here again, it can make simple dishes rather dressy. Fold broken up peanut butter into the whipped cream to top baked apples or puddings.

Remember fresh pears as a breakfast fruit, either with cream and sugar or sprinkled with a bit of salt. Winter pears are creamy

and luscious, without the grainy consistency of cooking pears.

Patrons and patronesses will be the four house mothers, Mrs. Deseret Schaeffer, Mrs. William Kirk, Mrs. Denise Murray, Miss Minnie Just, and Dr. and Mrs. G. Herbert Smith, Dr. and Mrs. Lawrence Riggs, Dean and Mrs. Seaward Reese, Dr. and Mrs. Ralph E. Furvine and Prof. and Mrs. James Simpson.
