ELLIS COMMITTED Edna Ellis, alias Edna Ellis Shannon, was arrested in Portland Thursday by Denver Young, Marion county sheriff, and brought to Salem where she was committed to the county jail. Ellis had been placed on probation by Justice of the Peace Joseph B. Felton after she had been found guilty on two charges—defrauding an innkeeper and larceny—upon her promise to make restitution of the loss involved in the charges. She was arrested upon failure to make restitution and will now serve a total of 70 days in the county jail for the two charges.

Marion County Leads Payroll Rise in State

Marion county led the state of Oregon in payroll increases for the third quarter of 1946 over the same period last year, according to figures released Tuesday by Ellis Jones, unemployment claims commission supervisor. Payrolls in Marion county totaled \$8,830,863 for the months of July to September this year, an increase of 47% over 1945's \$5,948,171. This 47% increase topped Lane county's 43% increase for the same period. The state payroll increase was only 8.3%, Jones said.

During the month of September of this year there was a total of 16,482 persons employed in firms covered by the UCC in Marion county. In 1945 there was only 13,439, making an increase of 22.5% for this year. These figures do not include farms, state or federal employes or businesses with less than three employes.

Broken down into the major industries in which there were increases of individual employment in Marion county, the 22.5% increase between the month of September in 1945 and 1946 is as follows: construction trades, 547 increased to 988; food products, 5034 increased to 6700; lumber

MOTHERS, INFANTS GO HOME Seven mothers were dismissed from Salem General hospital Wednesday. Dismissed with daughters were Mrs. Norman Brown, Independence, Mrs. Jerry Culaba, 570 Rosemont st., West Salem, Mrs. J. A. Kammerer, route 2, Salem. Discharged with sons were Mrs. R. E. PARTY PLACE CHANGED The West Salem community Christmas party will be held in the school gymnasium at 8 p.m. tonight. The party was scheduled to be held in the city hall previously.

products, 1211 increased to 1721; paper products, 651 increased to 1002; stone, clay, glass products, 47 increased to 213; and machinery and equipment products, 68 increased to 130.

Jones pointed out that the large increase in payrolls in 1946 over 1945 points to growing industry and manufacturing in Marion county second to none in Oregon, and cited the food processing payroll for the third quarter which increased from \$1,459,618 in 1945 to \$3,045,362 in 1946.

Forest Board Approves Bills

Proposed amendments to three Oregon laws tentatively were approved by the state forestry board at a meeting here Wednesday and probably will be placed before the 1947 legislature.

under the protection law. Another provides that the forestry board shall hold budget hearings in each of the 14 protective districts. The third would give to the state forester authority to sell administration sites. The latter law now restricts the state forester to acquiring these sites. A financial report prepared by Neil Rogers, state forester, showed that income from the state forest lands since 1943 aggregated \$428,500.
