Hotel, Motel Rent Release Forms Ready

Notice went out Tuesday from the local federal rent control office to Salem hotels and motor courts relative to filing supplemental forms in connection with facilitating de-control of daily rates on transient rooms rented by the day.

Approximately 20 hotels and courts representing several hundred rental units will be affected by the order which is to become effective February 15, Clare A. Lee, area rent representative of the Office of Temporary Controls said.

The de-control order was received here several weeks ago, Lee stated. "We have received such ready compliance and cooperation from this class of landlord in the Salem area that it is a personal pleasure to be able to release them from controls in this instance," he stated.

Kiwanis Club Hears Colonel

Col. George D. Wahl, instructor in the army reserve corps, stationed in Oregon, spoke at Kiwanis club Tuesday on the various elements of the organized and unorganized reserve. Military training for youth as planned by the army would be similar to the Citizens Military Training Corps of pre-World War I days, Colonel Wahl said, and would take boys only after they had finished high school, train them at points close to their homes for periods of six months. These youths would then provide the pool of trained reserves, the speaker said.

Court Rules Out Property Change Prior to Divorce

The state supreme court, reversing a circuit court ruling, Tuesday denied the right of a court to transfer property from one party to another in a divorce case in which no decree yet was granted.

The opinion was written by Justice Percy R. Kelly and reversed Circuit Judge George R. Duncan of Marion county in the case of Effie Gooden, appellant, against Arthur Gooden.

Other supreme court opinions: Decree of Circuit Judge L. G. Lewelling, Linn county, affirmed in the appeal of Roy Moore, under 10 years prison sentence for Robbery at Brownsville. Opinion by Justice Arthur D. Hay.

AROTANE

DUAL OCTANE QUALITY GASOLINE

achieves today's finest all around gasoline performance

AROTANE—made entirely from high octane components by the pioneer in the field of premium motor fuels—now offers you today's finest all around gasoline performance. AROTANE gives you the best performance that your car, new or old, can deliver. Try a tankful of AROTANE, the Dual Octane Quality Gasoline, at your Friendly Associated Dealer's today.

It is a well-known fact that not one, but several components are required for balanced, all around performance in a gasoline. The right proportion of components is better than an excessive amount of any one.

For example, components of higher volatility (vaporizing ability) than you need for instant starting are not only useless, but wasteful. Octane, beyond the point of complete elimination of knock or ping in your car, serves no purpose whatsoever. Remember this—AROTANE gives you complete, knock-free, balanced performance—the best your car is capable of delivering. Remember—
