- For a Lower Fuel Bill This Winter
- For a Cooler House Next Summer

**Insulate YOUR HOME NOW!**

When the heat from your home melts the snow off the roof, you are paying for wasted heat—heat that's escaping thru the roof! Wards Insulation keeps the heat inside your home... cuts your fuel bill as much as 30%! It's easy to install, too, because it pours! Order your supply now!

**Pay Nothing 'til November**... Even in November all you do is make the first payment! On purchases of \$60 or more you can take from 12 to 24 months to pay.

**Rock Wool Insulation** ..... Bag **1.35**

Now's the time to insulate! Install Wards Rock Wool now and give year-round comfort to your home. It's granulated... so easy to install, you can do it yourself! Just pour between the attic joists, level off, and the job is done... just as simple as that! Insulation makes your home warm and snug in the winter and as much as 15 degrees cooler in the summertime. Come to Wards today and let us give you a free estimate! One bag covers 18 square feet, 3-in. deep.

**Kimsul Insulation** ..... Roll **9.50**

Nationally advertised KIMSUL! A dustless, lightweight, blanket-type insulation that's simple to install, because it's flexible. It expands to 5 1/2 times its packaged length and won't sag or settle after installation. Gives you ample protection against summer heat and winter winds.

Roll covers 200 sq. ft.

**Let Wards Install Your Rock Wool**

Yes, we have the experts and the modern equipment, to do the job the right way! There's no fuss, no muss on your part... no messy cleaning-up afterward. Rock Wool is blown in under proper pressure to give your home the most efficient insulation. Drop a card or phone for free estimate. Phone 3194; ask for Mr. Griffin.
