Church of Christ Plans For Building in Keizer

KEIZER—The Church of Christ plans to begin construction of a new church building, in this community, in the near future. The building will be erected on the E. A. Lee sub-division on Prince road, just off North River road.

The Church of Christ will not solicit funds with which to build, but does extend to the Keizer community a hearty welcome to attend the services conducted in the building.

The building will be 37'x99' with five large class rooms, and an auditorium with a seating capacity of approximately 400.

Lumber and materials will be placed on the lot next week, and construction will start soon thereafter.
