### Grains Erratic, Close Higher

CHICAGO, April 3—(AP)—With the exception of the May delivery of wheat, all grain contracts closed higher on the Board of Trade today after a session of nervous, erratic price movements. Grains drew strength from re-entry of the production and marketing administration into the flour market and trade reports of some export business in cash corn. May wheat failed to respond as outside interest in this contract is small.  
Wheat finished 3/4 higher to 3 1/2 higher, May \$2.45 1/2-2.46 1/2, corn was 1/2-2 1/4 higher, May \$1.75 1/2, and oats were 1/2-1 1/4 higher, May 86 1/2-87.  
PMA announced it would accept offers of flour at prices 20 cents a sack under those prevailing on Monday and Tuesday.  
Roman military forces were finally withdrawn from England in 408 to defend Rome against the attacks of Alaric.

### Stock Leaders Give Ground

NEW YORK, April 3—(AP)—Stock market leaders generally gave ground today although there were a number of exceptions and selling pressure was lagging during the greater part of the proceedings.  
Losses running to 2 or more points were reduced at the close and a smattering of pivots emerged with modest plus signs. Transfers of 680,000 shares were the same as the day before.  
Many floor traders stood aside, and few customers appeared in commission houses, owing to tomorrow's holiday when the nation's principal securities and commodities exchanges will suspend for the observance of Good Friday.  
The Associated Press 60-stock composite was off 3 of a point at 65.1.  
"EMPTY" GUN FATAL  
PENDLETON, April 3—(AP)—Mrs. Jesse Louis Wilson, 63, accidentally killed her 2-year-old grandson today with an old gun she thought empty. Coroner Allen Folsom reported. The child was Ronald Raney, son of Mr. and Mrs. Walter O. Raney, Reith.

### West Congressmen to Fight Reclamation Cuts

WASHINGTON, April 3—(AP)—Senator Magnuson (D.-Wash.) said he and other reclamation project backers would call a meeting about April 21 to combat cuts in reclamation appropriations.  
Rep. Angell (R.-Ore.) said in a statement appropriation cuts would "bring hardship to the Pacific Northwest." Congressmen from the area, he added, are doing all in their power to get adequate funds for Columbia basin hydroelectric projects.
