**LITTLE JACK HORNER SAT IN THE CORNER EATING HIS CHRISTMAS PIE; HE PUT IN HIS THUMB, AND PULLED OUT A PLUM, AND SAID, "WHAT A GOOD BOY AM I!"**

It's a shame that little Jack Horner lived in the distant past. In these days there was no First National Bank and no First National Thrifty Pay Plan. So the Horner family didn't have the modern advantage of buying their home furnishings the Thrifty Pay way. Little Jack, good boy though he was, had to sit on a stool while he ate his Christmas dinner.

Whatever your need in home furnishings or appliances, you can enjoy the comforts of modern living through a Thrifty Pay loan at the First National Bank of Portland.

Drop in and talk it over with your dealer. Tell him you want to finance your purchases the Thrifty Pay way. You'll be surprised and pleased at what Thrifty Pay Bankcredit can do for you.
