When you go east, you might as well get all you can for your money. And it's pretty hard to find a bigger bargain than this:  
On your roundtrip ticket to Chicago, New York and most other eastern destinations, you can go or return via California for not one cent extra rail fare. You actually save twice as much as you would by going and returning on the same route.  
If your destination is New York, you can see New Orleans for no added rail fare. (A thrilling side trip to Carlsbad Caverns National Park costs only \$10.63, all-expense from El Paso.)

**A Unique New Formula for Motor Oil**

**NOW COMES FROM SHELL RESEARCH**  
It brings together all the important qualities needed for engine protection

NEW-FORMULA Golden Shell Motor Oil achieves a goal long-sought by lubrication engineers.  
For now, Shell Research takes the latest and most important of many steps forward: It brings together the best of new-found components... combines them in a unique new formula for motor oil.

In one of the most extreme tests ever made, this New-Formula Golden Shell Motor Oil ranked at the top in every oil quality. With all the important compounds needed to clean your engine... to keep it clean... and to provide a protective oil film of lasting, staying strength, New-Formula Golden Shell is proved to provide engine protection far in excess of the demands of average driving.

Yes, in every sense, this is a premium quality oil. Yet it sells at a non-premium price. Your nearest Shell Station has New-Formula Golden Shell Motor Oil now—at just 30 cents a quart!

**A premium quality oil at a non-premium price**

Now-Formula GOLDEN SHELL also comes in non-refillable cans. But the price is just 30c per qt. plus tax.
