Croton

AQUAMATIC

— THE WATERPROOF WATCH THAT WINDS ITSELF!

No wonder our counters are crowded for this remarkable man's watch! You can rely on its astonishing accuracy, a recent impartial test shows. Of the dozen watches tested (including three CROTON AQUAMATIC), this watch is 13.5% more accurate than the average stem-wind watch. It winds by itself—you just set, and forget! The natural motions of your wrist keep it wound. And it's waterproof, too! It has every feature you want... 17-jewel, anti-magnetic, shock-resistant, radium dial, sweep-second hand, tarnish-proof case, waterproof strap. Everything you'd expect of a fine watch—plus self-winding—for only
