Business **Buildings** Destroyed

DETROIT, Ore., April 28 - A spectacular fire wiped out a cluster of business buildings on the south side of the North Santiam highway here early today for a loss estimated upwards of \$75,000. Only the absence of wind and the arrival of U.S. Forest Service firefighting equipment prevented the flames from spreading to other business structures and to heavily wooded areas but a few hundred yards away. No one was injured but Mrs. F. L. Noble and her sister. Mrs. O. Ehler of Hollywood, Calif., occupying the former's sleeping quarters above the Detroit Food Market, were awakened barely in time to escape the flames.
