## 'See Oregon First' Dominates **New Trend in Vacation Travel**

By Conrad Prange

"See Oregon First" appears to be the theme of this year's Salem-area bumper crop of vacation-hungry residents. Most of the local sources who know state that the exodus of travel-happy vacationists from this area this summer will be the greatest in the Willamette valley's history. They intend to get away from

it all for a week or so by auto, rail, plane, ship and bicycle. Even of more delight to travel experts is the growing sense of appreciation of Oregonians for things Oregon. Never before have so many Oregonians decided to see the beauties and scenic spots of their own state, one source

ists are following the example of other Oregonians, in permitting of their own state is that their preferences for travel to swing away from the traditional off to most least period of the globe can be made here in Salem, he said.

should be reserved in advance. All travel accommodations to any part of the globe can be made here in Salem, he said. swing away from the traditional off to most local residents, ac- Coast Building Boom southern routes. Interest now is cording to K. B. Kugel, manager pointing to the north—the north—the north—the north—the big trans-Atlantic and Pacific for Oregon's rugged scenic won-long.

age to South America is also sold out for from three to six months," he added. "A trip to Europe by air now requires advance booking of 60 days. Interest here in Hawaii is again increasing but the coast of any in the nation," an official said last week. It was also revealed that housing facilities on the coast has greatly expanded over that of several years ago.

Bucking the tide of out-going Oregonians, the largest numbers in Hawaii is again increasing but of out-of-state tourists in Ore-a shortage of boats there is a vir-

degree to Canada and Alaska.

With most of the state's highways in good shape this summer—according to the state highway department—Salem amateur tourists will find their way to favorists such as Crater Lake, Rogue

United States on overseas jaunts."

On the top of many local tourists.

Chamber of Commerce reported that out-of-state inquiries about Oregon received at the office here often totals 200 or more per day.

Most of them (vacationists and intended residents) come from the mid-west and east, while California will contribute its usually heavy share of tourists. In addition to appreciation of the Cascade Lakes and to the ists, but hotel accommodations analyze the feelings of as many should be reserved in advance. as 120 persons simultaneously and

tual bottleneck. All in all, not ready—flocking here. The Salem Chamber of Commerce reported
