WE ARE PROUD TO Announce THE MEMBERSHIP APPOINTMENT OF

HOWELL-EDWARDS

545 North Capitol St.

There is now a member of the Order of the Golden Rule in your community.

§ What does that mean to you? Well, it means that this funeral directing firm has qualified for membership in one of the most exclusive organizations in the profession; an international affiliation of funeral directors who may be depended upon to render "Service Measured Not by Gold, but by the Golden Rule".

§ It means that this firm has qualified itself as having the requisite amount of experience, high moral and ethical standards, modern equipment and facilities, and moderate prices based upon known costs of operation. It means, too, that scores of local people have been contacted, and have expressed their conviction, in writing, that this firm is in every way eligible for the honor of membership in the Order.

§ By thus making it easy for anyone to recognize a dependable funeral director—through his use of the Symbol reproduced below—the Order feels that it has performed a real service to the public. Not all outstanding members of the mortuary profession are members of the Order of the Golden Rule, but all members of the Order are funeral directors of distinction.
