CHEMAWA SCHOOL FUND RESTORED TO BII

'Sufficient Amount' For Year Replaced In Joint Conference

New hope for the continued operation of the Chemawa Indian school appeared Wednesday in a letter from Sen. Guy Cordon stating that the Chemawa fund item has been restored to the interior department budget now under joint consideration of the house and Officials of the school north of Salem were notified early in May

senate in the nation's capital.

Attorney General George Neuner is to be commended for following up the directive he issued at the request of Governor Snell some months ago to enforce the law against gambling devices by moving in on specific situations. Astoria is the latest case in point. Astoria city council was planning the number of slot machines they 000. had operating, the attorney general advised the district attorney of Clatsop county that the city has no right to license slot machines, and if it does the sheriff should proceed to confiscate them. State officials should not be re-

Kills Man at quired to act as town constables and patrol the state to enforce laws against local vices. That clearly is the obligation of county and municipal officers of the law. All too often they are indifferent, and in too many cases the city councils are ready and willing to let machines operate if they can after a boom of a crane fell across get a cut out of the proceeds. As- his head and shoulders while he toria already licenses punch- worked with a crew of men who boards, and it and other cities and the state also license pinball machines "operated for amusement." This is bad public policy, condoning admitted evils and giving local defiance to the state constitution

A good many private clubs or bodily into a pile of loose dirt lodges have slot machines whose alongside the ditch in which the aracter of the organiza- skull fracture", incurred when the 000,000 home is his castle. It would seem the boom snapped in two, accord- against communism: though as if the court would rule ing to police. them illegal if called on to answer the question because a club or lodge has a quasi-public charac- lives in Porltand. ter. In any event it has seemed a strange way to raise money, by robbing the suckers even of the club's own membership. While shaking the hand and hailing the member as "brother," the treasurer is reaching into the "brother's" pocket by the device of the the Steel Tank and Pipe division club slot machine. A singular expression of fraternity.

The attorney general shows a fine sense of responsibility under the law. He has moved in orderly manner. If his friendly advice is ignored, he should, through the County Grange and his etam of military and economic experts will have effective get out their axes.

Legion to Sponsor Hear Reports 'Miss America' Contest in Salem

Newest feature of the local bathing suit season will give Salem its first chance at representation in the famed Atlantic City "Miss America" contest.

A local girl will be selected as Miss Salem to compete in a Miss Oregon contest at Seaside next month, under auspices of Salem American Legion posts, it was anmounced last night by Rex Kim- October at Red Hills grange hall. mell. Oregon winner will go to Atlantic City.

Using national Miss America standards in the contest offering university scholarships, girls will be judged equally on personality, talent, appearance in evening gown and appearance in bathing suit, Kimmell said.

The Salem Chamber of Commerce directors went on record state juvenile matron. Mrs. Fox endorsing the Legion's sponsorship and offering cooperation.
