Furniture is not an every day purchase . . . It's a major investment . . . You expect to live with it a long time. And, naturally, you expect the furniture you buy to live a long time.

Now you can have scientifically engineered furniture that has two complete decks of springs in the back and two complete decks of springs in the seat. Also made of hardwood frames.

Davenport and Chair Suites **Bed Divans Sectional Suites Club** Chairs Ottomans

The Furniture That's **Excitingly New** and **Beautiful**

It's cushionized, it's the new kind of comfort yet moderately priced for such exquisite upholstered furniture.

MANY NEW FABRICS FOR YOUR SELECTION

Here is the furniture that gives more spring, more beauty, more durability than ever before.
