

Silverton Sets Swim Classes

A "learn to swim" campaign for Silverton and nearby communities is announced for Aug. 26-30 and Sept. 2-6, sponsored jointly by the Marion chapter, American Red Cross, and the city of Silverton.

The classes will be conducted at the Silverton pool. Earl Mattison, who by then will have finished the instructors' course at the national Red Cross aquatic school at Lake of the Woods near Medford, will teach the Silverton classes.

No charge is made if the pupils bring their own towels, otherwise a charge of five cents is made. The course will be given on Tuesday, Thursday, Friday and Saturday of the two periods listed.

Lebanon Pool Gets Approval

LEBANON — By a majority of about three to one, Lebanon voters Tuesday approved plans for the construction of a year-around swimming pool, with showers, a water purifier and heating plant. Trained life guards will be hired. While the measure as voted on did not specify a location for the pool it is expected that work will begin immediately on the municipal holdings on east Grant street. A new tax of half a cent on each dollar of property value, is estimated to bring in about \$10,000 a year for the pool.

Wranglers Buy Plot for Horses

LEBANON — The Santiam Wranglers, recently reorganized with added membership, is sponsoring purchase of a 21-acre tract a mile from Lebanon, to be developed as a center of activities of interest to horsemen and other stock raisers. The Wranglers expect to spend perhaps up to \$30,000 in construction of an arena, a half mile race track, covered grandstand, stables and other facilities. An oak grove on one end of the tract, known for many years as the John Rathman place, will afford large picnic space.
