

Those Eyes

HOLLYWOOD, Aug. 14—(AP)—Janice Carter, young actress whose eyes, her studio in Hollywood says, are the "sexiest in the world," has applied for \$1,000,000 insurance on them. She may, or may not be granted the policy, but her press agent figures the idea will be worth plenty of publicity. (AP Wirephoto to the Statesman.)

Petroleum Fire In Java Laid To Sabotage

BATAVIA, Java, Aug. 14—(AP)—The Netherlands Indies petroleum board's main dump at Port Tandjoengpriok, Java, was swept by fire today which Dutch authorities said "most probably" was the result of sabotage. Five thousand cans and drums of gasoline were destroyed before the flames were brought under control by native firemen. Two large tanks of high-octane gasoline were saved. Col. L. Drost, Netherlands army commander for the Batavia area base, who attributed the fire to sabotage, recalled that Sunday will be Indonesian independence day and said "Now it's time to look for fireworks." He said that only a lucky change of the wind saved the entire dump from destruction. A smoke pall covered Batavia late this afternoon. Earlier, a Dutch army communiqué reported that Pangkalanbrandan and nearby oil storage establishments in Indonesian-held territory of North Sumatra had been fired. No details were given.

Judge Sued for Recovery of Fines

SEATTLE, Aug. 14—(AP)—In an unprecedented King county legal action, the county and traffic court judge were sued today for recovery of \$7,480 in traffic court fines and bail forfeitures. King County Credit Men, Inc., alleged in filing the suit that traffic warrants in 136 cases involved were issued illegally and the county treasury was "unjustly enriched." The complainant organization said each of the 136 claims were assigned to it for legal action.

Helpful ideas for busy canning days
by Carol Drake

Can, jam, preserve, conserve—that accounts for the spicy fragrances now wafting from kitchen windows. These tips for canning with little to-do are for the busy homemaker with much to do.

...SAVE TIME: MAKE CHILI SAUCE AND TOMATO JUICE AT THE SAME TIME. Wash and quarter about 10 pounds tomatoes. Simmer until soft, about 30 minutes, with chopped celery, onion, green pepper, carrots and whole spices. (The spices loosely in cheesecloth bag, easy to remove.) Drain off juice and fill hot jars. Process in boiling water bath 35 minutes. Put tomatoes, celery, onion, green pepper and carrots through colander or food mill; add vinegar. Cook until pulp is thick enough to round up on spoon. Fill hot jars; process in boiling water bath 1 hour.

...KEEP CRYSTALS OUT OF GRAPE JELLY. Prepare juice and let stand overnight in refrigerator. Crystals form and settle to the bottom. Dip off juice, proceed with jelly making.

...BE PARTICULAR IF YOU WANT PRAISEWORTHY PICKLES! Use fresh spices—1 ounce whole mixed spices is enough for 4 gallons of pickles; soft water (soften hard water by boiling, letting stand 24 hours to settle), and good recipes. Write to Carol Drake for "PRIZE PICKLE RECIPES." Box 2110, Dept. PR, San Francisco 26, Calif.
