

### 7 Re-Arrested On Charge of Lynch Attempt

JACKSON, N. C., Aug. 16—(AP)—Sheriff J. C. Stephenson of Northampton county today re-arrested seven white men on charges growing out of an attempted lynching of a young negro here last May 23.

The sheriff served a bench warrant issued by Superior Court Judge J. Paul Frizzelle charging each of the seven with conspiring to break and enter a jail and with breaking and entering a jail with intent to kill and injure a prisoner.

The same seven men originally were arrested on the same two charges plus a charge of kidnapping. They were released August 5 when a grand jury failed to indict them.

The grand jury also failed to indict the negro, Godwin "Buddy" Bush, who had been charged with attempted assault with intent to rape a young white woman.

The new legal move was ordered by Gov. R. Gregg Cherry who termed the action of the grand jury a "miscarriage of justice."

### Koussevitzky Weds Late Wife's Niece

NEW YORK, Aug. 16—(AP)—Serge Koussevitzky, 73, conductor of the Boston symphony orchestra, and Miss Olga Naumoff, 46, his secretary for the past 18 years, were married yesterday at the conductor's estate at Lexington, Mass., he disclosed today.

Miss Naumoff is a niece of the conductor's late wife, who died in 1942.

### Seattle Star Inquiry Due

SEATTLE, Aug. 16—(AP)—U. S. Sen. James E. Murray (D-Mont) was quoted by the Post-Intelligencer tonight as saying he had recommended the senate subcommittee on newsprint shortage conduct an inquiry into the circumstances of last week's closure of the Seattle Star and the transfer of its newsprint to the Seattle Times.

Murray was quoted as saying that, as a member of the senate small business committee, he telegraphed the request to Sen. Capehart (R-Ind.), chairman of the newsprint subcommittee. Murray left Seattle this afternoon.

### U.S. to Give Indoneses 'One More Chance'

WASHINGTON, Aug. 16—(AP)—The United States gave Indonesian republican leaders today one more chance to get together with the Dutch under American auspices for a direct and peaceful settlement—outside the United Nations—of their small scale war. Simultaneously this country cautioned Indonesia that any attempt on its part to specify a particular method of settlement would leave the United States with no alternative other than informing the U. N. security council that it had rejected the offer of American help.

This country's position was laid down in a note made public by the state department. It has been handed to A. K. Gani, vice premier of the Indonesian republic, by Walter A. Footes, the American consul general at Batavia.

### Portland Building Inspector Resigns; Issues Charges

PORTLAND, Aug. 16—(AP)—The city building inspection director, Shepard M. Cotten, resigned today in protest against what he called a "chaotic situation" that made it impossible to enforce the building code.

Cotten charged that the board of appeals was infringing on building inspectors' province. The situation is such, Cotten asserted, that the logical step for a person wishing to violate the building code would be to build a structure without a permit "and then run to the board crying hardship when we order him to take it down."

A member of the board of appeals, George H. Jones, denied that the board had usurped building inspectors' functions.

### Java Fight Slows, Report Indicates

BATAVIA, Java, Aug. 16—(AP)—A Dutch communique, which indicated that republican activity had slackened, said today that 29 Dutch had been killed, 91 wounded and one unaccounted for since the cease-fire order was issued August 5.

The communique said a Dutch armored patrol column near Llobohanroekos, in North Sumatra, met with heavy mortar and automatic weapons fire.

### Joint Mediation Of Paraguay War Wins Vote

WUITANDINHA, Brazil, Aug. 16—(AP)—A proposal for joint mediation of the Paraguayan civil war was adopted unanimously today by the 20-nation inter-American conference, and Argentina reaffirmed her demand for swift economic aid and cooperation in the hemisphere.

The conference, called to draft a hemispheric defense treaty, adopted a mediation proposal by Uruguay under which it will dispatch messages to both sides in the Paraguayan conflict asking for a quick end to the fighting. Argentine Foreign Minister Juan Bramuglia asked the delegates "if we were able in defense of world peace far from our shores to offer economic help and cooperation to countries needing it, why cannot we do the same within America?"

### North Greece State Started By Guerrillas

ATHENS, Aug. 16—(AP)—Gen. Markos Vafiades, Greek guerrilla leader, proclaimed by radio broadcast the organization of a military government in "Free Greece" and the government today seized published copies of the proclamation as soon as they appeared.

At the same time Greek Third army headquarters in Salonika announced intensified guerrilla activity at a dozen points, ranging from western Thrace to western Macedonia, during the past 48 hours. Use by the guerrillas of heavy mortars not even available to government forces was reported.

Napoleon Zervas, minister of public order, declared the setting up of a "bandit government on Greek territory" was a "comic manifestation of the Enver Hoxha-Markos radio station" but nevertheless the government was "attaching the necessary importance" to the event.

### B-17 CRASHES IN ALASKA

ANCHORAGE, Alaska, Aug. 16—(AP)—An army B-17 bomber crashed today at Cold Bay, 300 miles southwest of here, but the Elmendorf field public information office said tonight it could not say whether there were any casualties.

### Ram Sale Fails To Live Up to Expectations

PENDLETON, Aug. 16—(AP)—Forty-two animals remained unsold at the close of the 21st annual Oregon ram sale, which netted a surprisingly low total of \$22,425.

Highlights of the auction were a benefit sale which gave the Oregon Woolgrowers auxiliary \$1500, and Wayne Stuart's announcement that he was resigning as president of the Oregon Woolgrowers association. Stuart, a Dayville rancher, said he was leaving the sheep business.

Consignors said the \$22,425 paid for 275 animals—though more than last year's \$22,154 for 186—was below what current markets had led them to expect. The highest

price was \$200, paid by Cunningham Sheep Co., Pendleton, for a Ramouillet stud ram owned by Wynne S. Hansen, Collingston, Utah.

Most of the animals shown were suffolk. Top price for this breed was \$175, paid by O. T. Tracy, Chico, Calif., for a ram consigned by Floyd M. Edwards, Albany. A pen of five yearling Suffolks from Dave Waddell, Amity, drew \$155 each from B. B. Burroughs, Ontario.

The best price for a Hampshire, \$105, was paid by A. T. Coff, Salem, for a stud ram consigned by Broadmead Farms, Amity.

The yearling suffolk ram donated by Floyd T. Fox, Silverton, for the benefit of the Oregon Woolgrowers auxiliary, was resold 14 times for a total of \$1500. Mrs. Mac Hoke, Pendleton, got to keep it on the final \$310 sale.

Holly Says . . . .

You do not have to be a factory expert to operate our Sunbeam Electric Shavemaster . . . they are built for the average man, nothing tricky, no hidden secrets, just an ordinary amount of intelligence is all it takes and we know you have that or you wouldn't be reading this message.

Yes, we can make immediate delivery. We have no "special demonstrators" but we do have a stock of Sunbeams. Come in just as you are—pick up a Sunbeam and take a shave. Demonstrate to yourself, by yourself, that you yourself can get a faster, closer, smoother, better shave with a Sunbeam. (Listen, lady, you can use it too and he will not even know it—would be nice to get away from the old gripe, "Who dulled my razor?" wouldn't it.)

You fellows who think you have a beard an electric shaver cannot handle should try this new Sunbeam, it's as far advanced over the electric razors of the past as the meter studded street is over the dust and mud of years gone by.

"You ain't seen nuttin'" until you've tried

BIGGER SINGLE HEAD that's smooth and comfortable on your face. Picks up the beard the way it grows. Your whiskers can't escape a clean, close shave.

POWERFUL SELF-STARTING "REAL" MOTOR Not just a contact-type mechanism—bet a powerful armature motor. Built to stand the gaff.

COME IN! FREE DEMONSTRATION BY YOURSELF . . . .

No fuss, no muss, just take them off as casually as you would take the wrapper off a stick of gum, if you had the gum.

## . . . you can sign up for EUROPE or the Far East!

At long last, vacancies have opened in the European Command. But to get one YOU'LL HAVE TO ACT PROMPTLY. The number of openings available each month is limited, and will probably remain so for some time to come. Only qualified Veterans of the Armed Forces who agree to sign up for three years or more will be considered.

There's an intensely important job to do in Europe. And in intervals of work there's leave time on the French Riviera, skiing in the Alps, sightseeing through medieval castles in Bavaria and Austria.

Don't forget there are still openings for service with famous divisions in the Far East for Veterans and non-Veterans alike. Quarters and recreation facilities in Japan are as fine as any in the world.

The Regular Army's high pay (20% higher overseas), the excellent opportunities to further your education in Army technical schools or through the Armed Forces Institute, the chance that your previous Army experience may speed your promotion to positions of high skill and responsibility make this an over-all opportunity that's too good to pass up!
