NELSON NEWS

MEET RICHARD J. "DICK" SCHMIDT

In anticipation of soon occupying our new office quarters our business opportunities and properties department is being reactivated with Richard J. Schmidt who has recently after a number of visits to Salem decided to make

this his permanent home.

Mr. Schmidt has been in active contact with business people throughout the middlewest for a number of years. Besides being employed in various business fields he has been active in Community Chest. Red Cross, Boy Scout work, President of Jr. Association of Chamber of Commerce and Advertising Manager for radio station KLMP, Minot, N. Dakota, and director under the auspices of that association of United Nation group's middlewest tour which included a "pheasant hunt" through the Dakotas.

In connection with the opening of our new office soon to take place we

will be doing some extensive advertising much of which will go out over the middlewest. We therefore urge all owners of business opportunities and properties to let us know about it so that Mr. Schmidt, popularly known as "Dick," may have an opportunity to contact you in time to get an attractive description of your property included among our offerings
