Viks Stop Millers In Thriller, 26-25

SPRINGFIELD, Oct. 17-(Special)—Salem high's fighting Viking grid crew kept in the running for the Big Six league title here tonight as they eked out a 26-25 triumph over an equally hard-fighting Springfield Miller eleven on a mud-logged field.

Other Big Six results tonight saw Albany and Bend fight to a 0-0 deadlock and another tie also on the bill as Corvallis was able to adroitly 7-7 knot by Eugene.

Fullback Carlos Houck again was the big gun in the Salem attack as he tallied two touchdowns and kicked a pair of conversions which provided the winning margin.

Salem tallied 12 first downs to Springfield's 10. The Vikings nipped but twice during the fray, the Millers kicked not a single time.

Bill No Glory Seeker

Unlike a lot of gentles who under similar circumstances would have been out for all the attention they could muster, Big Bill slipped into town the other day and would have been perfectly content to hibernate unnoticed with his family until time to slip away again to the spring training grind.

During Friday morning's proceedings, Bevens was queried about Joe DiMaggio. "You'll never find a greater ball player than Joe," replied Bill—and his opinion is upheld by the rank and file of the major league fraternity, who can appreciate only too well DiMaggio's virtuosity as a fly catcher and run-producer.

Was Tex Oliver blind last year? You can draw your own conclusions when considering that Norm Van Brocklin, the present Oregon eleven's aerial magician reposed on the bench in '46.

There's a youngster performing for the Salem high Jayvees who is going to help Harold Hauk's varsity mightily in future campaigns—and he'll be just the answer to the Vik mentor's passing woes.

And again the temptation is too strong: Our predictions record to date is 17 right, six wrong, 3 ties for a 654 percentage—but undaunted here we go.

Circuit Clashes Feature Football Action

NEW YORK, Oct. 17-(AP)—The nation's leading college football teams are playing in their own leagues this week after the customary early season encounters with opponents from distant points.

The most notable exceptions probably are Vanderbilt vs. Kentucky, a meeting of two surprise teams, and Kansas vs. Oklahoma with the Texas-Arkansas tussle at Memphis, Tenn., running close behind.

Vanderbilt wasn't given much of a tumble in pre-season matches of the Southeastern conference, but it already has whipped Northwestern, Alabama and Mississippi and shares the conference lead with equally unheralded Georgia Tech.

Texas, riding high after four decisive victories over non-conference foes, plays its first league game against Arkansas, which was figured as Rice's leading rival for the title before the season began.

On the other side, mighty Michigan, chosen by an overwhelming vote as the nation's No. 1 team this week, starts its bid for the Big Nine title against twice-beaten Northwestern. Illinois, the Rose Bowl champ, played a scoreless tie against Army last week and now encounters a victorious but defensively weak Minnesota team.

Notre Dame, the other midwestern powerhouse, takes on Nebraska, which has lost twice.

The east's big three, Army, Pennsylvania and Penn State, all should have it easy. Army seeks its 32nd straight game without a loss against Virginia Tech; Penn meets beaten and injury-riddled Columbia and Penn State faces a weak Syracuse club.

In the south, unbeaten Georgia Tech plays Auburn and William and Mary, Southern conference leader, meets North Carolina, the pre-season favorite which has had nothing but trouble, climaxed by the still unsettled question of Charley Justice's eligibility.

Established as favorites for the first time this season, Willamette U's fast-coming Bearcats today tangle with the University of British Columbia Thunderbirds in the 2:30 o'clock Homecoming football party on Sweetland field.

By virtue of their two straight victories, over Whittier and College of Idaho, the Cats go post-ward picked to dish up the fourth straight loss this season to the Canucks. Lillie has been warning his team against overconfidence, however, pointing out that Willamette has had to work especially hard to escape with victories in the last two games.

The Bearcats will be battling not only to notch their third straight win but also to maintain at least a share of the leadership of the conference with an unbeaten-in-league status. When the season started it was conceded that the Cats, short on material and not nearly deep enough in certain positions, would be fortunate to stay in the loop pennant derby.

Lillie likely will open with Bill Reder and Cece Johnson at ends, Bill Kukihiok and Art Beddoe at tackles, Bob Donovan who will be captain today and Jim Fitzgerald guards, Chuck Patterson at center, Bobby Douglas back after an injury, or John Burleigh at quarter, Keith Sperry and Bill Ewaliko at halves and Al Wickert at full. Such a lineup will give the Cats a 186-pound forward wall and a 176-pound backfield.

The Thunderbirds, bossed by Kaul, will meet the Cats in weight both fore and aft. Big 225-pound Herb Capozzi anchors the 'Bird forwards at right tackle and Fullback Bob Murphy at 198 pounds is the No. 1 UBC ball-toting threat. The probable starting lineups, with weights:

Troy Favored Over Beavers; Webfeet, Huskies Set to Go!

Injuries Hit Stiner Eleven Ailments May Keep Evensen, Austin Out

LOS ANGELES, Oct. 17-(AP)—Hoping to make it two victories in a row over the University of Southern California, Oregon State's squad of 37 football players reached Los Angeles today and was happy to find the weather clear and prospects good for a dry field for the game tomorrow.

Rain has hampered the Beavers' practice sessions at Corvallis the past few days, members of the squad said.

The Trojans were generally favored by local observers to continue in victory where they left off last week against Ohio State.

The Beavers last year whipped the Trojans, 6-0. Moreover the Oregonians will be keyed to erase the impression made when they lost last season's opener here to UCLA, 50-7.

The Oregon State squad will be hampered by injuries to two of its top linemen. Guard Paul Evensen probably will not see much action because of a leg injury while top-notch tackle Bill Austin is not expected to get into the fray at all as the result of an ailing leg.

The probable starting backfield for the Beavers will include Don Mast at quarter; Don Samuel and Ken Carpenter at the halves and Dick Twenge at full.

The one definite edge the Trojans will hold on the Orangemen is deeper reserve strength. Otherwise the two teams rank fairly even in weight. Lon Stiner is expected to utilize the passing ability of Southpaw Don Samuel to the fullest extent as well as the running ability of Carpenter and Twenge.

Ancient Rivals To Face Mud

PORTLAND, Oct. 17-(AP)—Hopes for a wide-open fast game between the University of Oregon Webfoots and Washington's Huskies were drowned under drenching rain tonight. They meet in Multnomah stadium tomorrow.

Although the stadium drainage system has been rebuilt and the downpour will be carried off, there was little hope that speed will be a deciding factor. Washington's coach, Pest Welch, toyed with the idea of discarding his speedball backfield, including Dick Oteile, but decided after a workout that it could work on Multnomah's turf.

Both teams were in good condition for the 2 p. m. kick-off. The bad weather conditions are particularly ominous for the Webfoots whose hopes rest mainly on the passing magic of Quarterback Norman Van Brocklin. If Van Brocklin can hit his receivers in the rain and muck Jim Aiken fires his lads for a good chance of coming out on the long end of the count. The Ducks haven't beaten the Huskies since 1941.

The Oregon starting lineup will be Garza and Robinson at the ends; Dotur and Stanton, tackles; Meland and Chrobot at the guards; Ecklund at the pivot post; Van Brocklin at quarter; Jake Leicht and Jimmy Newquist at the halves and Bob Koch working in the full-back slot.
