Vandals Nose Pilots, 20-14

MOSCOW, Idaho, Oct. 18—(AP)—A touchdown pass which sailed 48 yards as the timer raised his gun to end the game today gave the University of Idaho Vandals a 20-14 victory over Portland University. Though they wallowed in mud, the teams concentrated five touchdowns, all by passes, in the last half.

Though Billy Williams' mighty last-second touchdown heave to Woody Delorme decided the contest in favor of the Vandals, Portland's Bob Christianson matched his throwing pace, tossing two touchdowns passes in the furious last half.

Portland had one scoring play called back on a penalty in the hectic final quarter.

LEAFS, WINGS TIE

TORONTO, Oct. 18—(AP)—Hockey's world champions, the Toronto Maple Leafs, were held to a 2-2 tie in their opening National Hockey League game tonight by the Detroit Red Wings as 13,674 fans, including Viscount Alexander, watched the proceedings.

CANADIANS TRIUMPH

MONTREAL, Oct. 18—(AP)—The Montreal Canadiens won their first game in two starts in the new National Hockey League season tonight, defeating the hapless Chicago Black Hawks 4-2. It was the second straight loss for the Hawks.

Wolverines Pound Wildcats, 49-21; Notre Dame Whips Nebraska, 31-0

By Harold Claassen
NEW YORK, Oct. 18—(AP)—The big nine as a unit and such widely scattered college football powers as Pennsylvania, Penn State, Georgia Tech, Notre Dame, Army, Texas, Mississippi State and Navy added to their stature in games today.

The Midwest circuit gained the most prestige. It sent what was labeled a weak and fumbling Wisconsin team to the home of unbeaten Yale and the Badgers pounded out a 9 to 0 verdict. In addition, Indiana took its turn in wallowing Pittsburgh, 41-6. At the same time Purdue also invaded the east and crushed a hopeful Boston university aggregation, 62 to 7.

Carpenter raced a kickoff 74 yards to set up the lone Oregon State touchdown against Trojan subs in the third period.

USC racked up 17 first downs to eight for the Beavers, whose final four were marked off against third and fourth string players. The bevy Trojans scored the first time they got the ball—40 yards, four plays, four minutes—and enjoyed at 21-0 lead at halftime. They were ahead 28-0 when the Oregonians scored.

Coach Jeff Cravath, trying to hold back his men for the big battle next week against undefeated California at Berkeley, dipped to the fifth and sixth string subs, but even these lads went yard-crazy and reeled off three touchdowns in the final period.

The most spectacular run was Jack Kirby's 72-yard sideline dance from scrimmage in the fourth period and just to make the day complete, on the last play of the game, a sub combination of Robbie Robertson to Lou Futrell completed an 18-yard touchdown strike.

Place kicking specialists, Tom Walker, booted six of seven conversion attempts.

Predicament!

BILLINGS, Mont., Oct. 18—(AP)—An hour before his gridlers were supposed to play Billings Central Catholic high school today, Coach Kenneth Brown of Roberts high telephoned: "I can't find my team."

"I guess they all just went deer hunting and forgot about the game," Brown explained.

PILOT BABES WIN

CORVALLIS, Ore., Oct. 18—(AP)—The University of Portland Babes snatched a final quarter touchdown against the Oregon State Rooks today to win, 6-0, on a pass and run play.

where Fullback Bob Warren bucked for the score. Reder's kick was true.

The Birds were so completely bottled up that they did not register a first down until the fourth period. Only one did they drive into Willamette territory, that in the final minutes when Fullback Bob Murphy romped 41 yards from his own 16 to the 'Cat 47. A pass carried the UBC's to the enemy 35 and Murphy bucked to the 34 but that was as far as they penetrated.

Willamette amassed 287 yards from rushing and passes to UBC's 112, and shaded the foe in first downs, 13 to 3. The 'Cats in the latter stages of the tilt panged frequently with John Slanchik flinging some long ones which partly missed. All told, the locals uncoiled 26 aerials, completing eight good for 85 yards. The visitors tried 18 and hit but two. Slanchik averaged 40.4 yards with five punts.

Fairleigh's injury was revealed as a broken rib by Coach Gregg Kabat. . . . nature of halftime was the traditional push-ball competition between the Freshmen and Sophomores with the Sophs winning the nod by a hair and leaving the Frosh no other alternative than to sport their class caps for the remainder of the year. . . . Quarterback Bob Douglas, for the second straight tilt, remained on the 'Cat bench because of a shoulder injury. . . .

Portland Eagles Face All-Stars

PORTLAND, Oct. 18—(AP)—The Portland Eagles make their bow here tomorrow night in a game that may indicate whether they are likely to skate away with another Pacific Coast league northern division hockey title.

Coach Jimmy Ward planned to use three of the four holdovers in his starting lineup against all-stars from other northern division teams.

Veterans Larry Reardon and Pat Desbriens will team with New-comer Jack Wheeler in the starting front line. Another old-timer, Phil Dagleish, will be on defense, along with Joe DelMonte, ex-Los Angeles.

Fred Sparks, a goalie from the Toronto senior loop, will be net-tender.

McGee Sparks Irish Victory

SOUTH BEND, Ind., Oct. 18 (AP) Halfback Coy McGee, 158 pound Texan, provided the spark which swept unbeaten Notre Dame to a methodical 31-0 triumph over stubborn Nebraska today before a capacity 56,000 crowd at the home opener of the Fighting Irish.

In a renewal of a series which lapsed in 1925, Notre Dame played cautiously but relentlessly against a game Nebraska team which yielded a touchdown in each of the first three periods and two in the closing quarter. Evidently holding his Irish under wraps for the Army game Nov. 8, Coach Frank Leahy permitted second string Quarterback Frank Tripucka to see more action than heralded Johnny Lujack at quarterback.

By Mrs. B. O. Schucking
DALLAS—Mrs. B. O. Schucking of Eola Acres was guest speaker at the October meeting of the Dallas Garden club, Tuesday afternoon at the chamber of commerce rooms.

Mrs. Schucking described hospital bouquets, funeral sprays, corsages and how to wear them, floral necklaces and bracelets, shown at the style show. One corsage designed to be worn by the younger set at formal functions hung from the right shoulder to the knee.

Mrs. Schucking brought several arrangements which included hospital bouquets; arrangements in copper and pottery. As she demonstrated how to build up vases of flowers to be kept in water and arranged yellow marigolds in a antique copper coal scuttle, she cautioned her listeners to use good judgment in selecting vases.

Duck, UW Frosh Tie

SEATTLE, Oct. 18—(AP)—A 65-yard center through the day's steady downpour by Roland Kirby was nullified by a clipping penalty and the University of Washington Frosh had to be satisfied with a 7-7 football tie today with the University of Oregon Ducklings.

OIL GOING TO SCHOOL

Among the many jobs we have done this year were a number of school furnace installations. Many schools which formerly were heated with wood are now converting to oil. The deciding factor is one of plain economy, but there are also the elements of cleanliness and convenience. Schools with wood-burning furnaces require the presence of a man to tend them throughout the day. With an oil-burning furnace, the thermostat takes care of that job automatically. The cost of labor required for handling wood fuel supply, building and maintaining fires and cleaning up is saved when you have the clean, automatic and constantly available source of warmth provided by a modern oilburning installation.
