

City News Briefs

YM ELECTION READIED

Nine new directors for the Salem YMCA are to be elected by members Wednesday, on ballots available at the YM, according to General Secretary C. A. Kells. Organization of the board, including the new directors, will be accomplished at Thursday noon's regular meeting for October. Yearly elections on the board this year have occurred by the death of T. A. Livesley and Rollin K. Page, and expirations of the terms of Dr. G. Herbert Smith, Dr. M. C. Findley, Chester Page, Fred Lamport, Walter Minier, Lee Ely and R. L. Eifstrom.

Edwards and Isom will continue custom killing. Ph. 3994.

LAUGHLIN TO BE HONORED

A memorial service honoring late Dr. B. Laughlin, master of the Salem grange at the time of his death last summer, will be conducted at a closed meeting of the Salem grange at the Woman's club house at 8 p.m. Wednesday. Dr. Laughlin was a former professor at Willamette university. Moving pictures will be presented after the meeting by Max Gehlar.

Veterans... Learn to Fly UNDER G.I. BILL OF RIGHTS!

If you are eligible under the G. I. Bill, it won't cost you more than the price of a simple physical examination to become a pilot.

Come on out to Salem Air Service and join a swell bunch of men and women who are not only learning to fly but learning that private flying is good business in town, or on the farm — a grand clean sport, too! And you other folks—we'd appreciate the chance to tell you all about this flying business. It's a safe, fast, reliable means of transportation... one that's really here to stay, and grow. Drop out, let's talk it over. No obligation of course.

CESSNA AIRCRAFT SALES & SERVICE
SALEM AIR SERVICE
Call 7231
McNary Field

WHY WITH SALEM AIR SERVICE! JUST A FEW REASONS—
Salem's largest flight operation.
The only operation in the whole northwest giving ALL flight courses from private through air line.
Several times as many students trained here as at all other operations in Salem combined.
More instructors—more experience—more airplanes—and more varied types of airplanes.
