**UNIQUE OUTDOOR MURAL** — Depicting the history of the art of printing, this mural is one of two recently completed for the exterior wall of the Southeast Missourian's building at Cape Girardeau, Mo. Executed in color on weather-resisting ceramic tiles, the project required two years of continuous work for completion.

# Bullish Forces Raises Stocks In Fast Day

NEW YORK, Oct. 20–(AP)–The bulls moved on the stock market in force today and, despite considerable selling opposition, pushed up selected steels, oils, motors, rails and special issues 1 to 3 or more points on the sixth straight full session of better than a million shares.

Rising prices ruled from the start with activity pronounced except at intervals. Sizable blocks aided volume. Liquidation was a bit more insistent in the final hour and extreme advances were reduced in the majority of cases, with a smattering of pivotals on the losing end at the close. The day's aggregate of 1,770,000 shares compared with 1,270,000 Friday and was a top since last Wednesday which, in turn, was the largest since April 14.

Buying again was based mainly on business optimism and the belief big-scale dollar relief for Europe would drop many industries at home. Results of the French elections cheered the financial sector. Dividends and earnings, for the most part, were stimulated but exceptions developed here. Professionals chased profits here and there on the idea a technical correction may be in the offing.

The Associated Press 60-stock composite was up .6 of a point at 67.6.

# Wheat Reaches 30-Year Highs

CHICAGO, Oct. 20–(AP)–New highs for the past 30 years were established by wheat futures and for the past 27 years by cash wheat on the board of trade today.

December wheat reached $3.07, best price for any wheat future since May, 1917, when a record peak of $3.25 was made. In the cash market, No. 2 hard wheat sold at $3.11, best price for cash wheat since 1920, when a record of $3.50 was scored.

Wheat futures closed 4¾-6¾ higher, December $3.06¾-$3.07, corn was 2½ to 3 cents higher, December $2.35-$2.35¼, oats were 1¾-1⅞ higher, December $1.21¾-⅝, and soybeans were up the eight cent daily limit, November $3.47¼.

Buying of wheat was based on reports bakers were inquiring for flour, continued unfavorable weather in the southwest for development of the 1948 crop and a boost of 75 to 80 cents a hundred pounds in the price which the government will pay for flour for export.

## Portland Market's Wheat Prices Rise

PORTLAND, Oct. 20–(AP)–Portland wheat prices advanced with others across the country today with hard white Baart up 2 cents to a record $3.11 a bushel for 12 per cent protein grain.

Soft white wheat was up 5 cents to $2.84 a bushel, within 15 cents of the all-time high of $2.99, reached in 1917 before the grain exchange was established.
