The brains behind the parent Portlands mean that the building of a new stadium would now cost well over a million bucks, whereas the same construction some five or ten years ago would have nicked them only half as much. But mebbe somebody ought to remind them they were'nt doing 400,000 at the gate in those days and that the customers had to bounce only six bits to get in. Now the fee is a buck-twenty-five . . . Lynam, Dorsetti in Top Match Mix Tonight

A pair of grappling Joes - one the popular Lynam and the other the dislikeable Dorsetti - tonight collide at the Ferry Street Garden in Matchmaker Elton Owen's top muscle meeting. The entire show, starting at 8:30 o'clock, will offer three prelims with the mainer.

The Lynam - Dorsetti match came out of last week's elimination tournament when Dorsetti. in his own unsweet style, copped the cup by besting Lynam in the final 15-minute squabble. It was a dandy struggle all the way, excepting for the ending, and tonight the handsome Redmond hustler insists he will more than get even with the mustachioed culprit over the hour - long, 2-of-3 falls route. Besides, Owen himself will handle the refereeing, which won't

Annual Linfield Tilt Next for Bearcat '11'

Now heavily favored to corral the 1947 Northwest conference crown after their 20-0 conquest of Pacific U last week, Willamette U's Bearcats this week look toward Linfield for their next football

struggle. The annual mix with Wayne Harn's Wildcats will be played in McMinnville's new concrete stadium next Saturday night, and it will be the next-tolast league shot of the season for Jerry Lillie's team. Only the No-vember 22 game with Whitman here and a non-conference date with Portland U at Portland on vember 15 remain after Saturday's outing. Jayvees Play Vanport

Mary Goodman's Willamette U Jayvees, winners of three of four games this season so far, today take on the Vanport college seconds in a 3 o'clock football tilt on Sweetland field. The Vanports are bossed by former Willametteers Joe Holland and Mike Balkovich and are said to have an eleven capable of pushing the win-conscious Cats to the limit. Goodman's crew romped over Linfield's JV's in its last outing.

The starting Willamette lineup likely will be Don Aasen of Coquilie and Bob White of Portland, ends; Bob DeBord, Corvallis, and Bill Harriman, Prineville, tackles; Gene Cox, Vancouver and Elliott Motschinbacher, Roseburg, guards; Burnell Ambrose, Gresham, center; Charley Noa, Hawaii, quarterback; Dick Allison, Salem, and Gordy Farrell, Longview, halves, and Ken Jarrott, Redondo Beach, Calif., fullback.

Salkeld Sets Opening Fistic Bee Next Week

There will be professional boxing in Salem after all this season, and soon. Such was the announcement made by Matchmaker Tex Salkeld Monday as he set the date for his opening armory

show. That date will be Wednesday, November 12. A disagreement between Salkeld and local fighter Manager Sam Duncan, which started last spring, had threatened to keep the armory dark on fight

Whether Salkeld and Duncan have reached an agreement has not been reported, but for his opening main event, a 10-rounder, the mitt maestro has signed two of the top middleweights in the Northwest, neither of them in the Duncan stable.

Those two are none other than the easily-remembered Leo (The Lion) Turner and Joey Albina the latter the claimant to the Oregon middleweight championship Before departing from these parts a few years ago, Turner was known to have held the middle crown. Whether their meeting here in the inaugural will be an official argument for that 160-pound bauble will be made known by Salkeld later this week when he lines up the balance of the opening show.

Well known to the Marion-Polk fans via his many skirmishes in the Salem ring, Turner will be making a return after an absence of almost three years. He was then easily one of the most capable and feared 160-pounders on the Coast. Albina hit a peak in the Northwest rings after Turner's departure and is known to be a twofisted gent who whipped his way through all opposition not too ficial today.
