

after Christmas CLEARANCE

Yes, We Know That You Will Think We Have Our Dates Mixed---But We Just Decided to Have Our After Christmas Sale Before Christmas This Year.

WHY?

- 1. Because some of this merchandise has been around long enough that we're just plain tired of looking at it.
- 2. Because we need the space and we can also use the money.
- 3. Because we want to save paper when we take inventory.

Anyway - Here's your chance to swing the axe on us -- take advantage of us for buying too many of some items, and walk out with merchandise at a price in many cases below our actual cost. If you don't believe us -- READ ON
