Where popularity counts... with **MOTHERS!**

West Coast mothers choose Nucoa margarine 3 to 1 over any other brand. Now that it's plentiful, they won't accept substitutes.

Nucoa always tastes so sweet and fresh! And no churned spread, at any price, is richer in food energy, or a finer year-round source of Vitamin A. It's a mighty nice feeling to know that there's more Nucoa in the stores now.

It means mothers can use Nucoa more freely, both in cooking and to serve on the table. Nucoa margarine is new-churned the year round, on order only. No wonder it's known as the margarine that's so good it "melts in your mouth."

Serve Nucoa proudly on your table...
