### Bus Service Hearing Set

Permission to continue operation of city bus service to three suburban areas outside Salem city limits will be requested by Oregon Motor Stages at state public utilities commission hearing here at 10 a.m. Wednesday, December 10, PUC Commissioner George H. Flagg announced Saturday.

Bus routes involved in the hearing include those which now serve Liberty, Four Corners and east Center street areas. Permission to extend the city lines to include the areas was granted by the Salem city council last summer and the service began on September 15.

Existing bus lines within the city limits are already licensed by the PUC. The company's application for a license to furnish service to the present outlying communities permanently will be studied by the PUC following the hearing.

### Lucas Eyed as Truman Partner

WASHINGTON, Nov. 29 - (AP) Senator Lucas (D-Ill) took himself out of the Illinois democratic governorship race today in an action interpreted as leaving him available for possible nomination as his party's vice presidential candidate.

In a formal statement, Lucas said that President Truman and other party leaders had urged him to remain in the senate where his present term expires in 1951. Lucas is senate minority whip, a position in which he is charged with lining up party colleagues for important votes.
