Prof. Auguste Piccard, explorer of the stratosphere, will aid in testing the craft.

Academy Lists Activities

MT. ANGEL—The Rev. Alcun Heibel, OSB, has been added to the faculty of Mt. Angel women's college beginning Monday, first of the second semester. Added to the high school faculty is Miss Pamela Noel, formerly of Victoria, B. C., who has taught in Nova Scotia, Alberta and British Columbia and in Long Island, N.Y.

On Sunday the academy will give its annual recital at 2 o'clock. Playing on the program will be Stella Dummer, harpist; Ida Bucholtz, Sally Doherty, Charlotte Hackett, Rita Wolf, Patricia Brandt, pianists; Lucy Van Cleef, vocalist, accompanied by Ann Van Cleef. A string ensemble, vocal and Gregorian choir and the Aerolians will be featured.

The academy's four mission clubs, who pledge small amounts weekly, contributed \$193.22 last school period. This will be sent to missionaries in the Philippines, China and India.

Officers of each of the four clubs are: Seniors, Normal Oswald, San Francisco, and Pat Stahl, Mt. Angel; juniors, Lavonne Frey and Bernadette Hauth of Mt. Angel; sophomores, Mary Lou Sthamen, Silvertown, and Joyce Susee, Mt. Angel; freshmen, Marlene Frank, Sublimity, and Flora Fenimore, Mt. Angel.

Practice Teachers Field Widened

MONMOUTH, Oregon College of Education—Students will do part of their supervised teaching in other cities, according to Dr. Henry M. Gunn, president of OCE. At present the Monmouth and Independence training schools are being used to capacity, so other cities were asked to participate in the teacher training program. The school boards of Portland, Salem, Corvallis and Eugene have taken action to participate in this program.

Students sent to these schools to get experience in teaching will first be required to complete two years of college training. In addition, they must do one term of supervised teaching in one of the college training schools and receive the recommendation of the supervisor for teaching in one of the city schools taking part in the teacher training program.

They will assume the same responsibilities as the classroom teacher such as lunchroom and playground duties. However, the students will not receive any compensation.

Currently, two students are teaching under this program in the Eugene city schools. They are Mina C. Zebly of Eugene and Jo Anne Sappentfield of Portland.

Mr. and Mrs. Louis Will were guests of their son-in-law and daughter, Mr. and Mrs. D. D. Hunsaker, at Eugene Thursday.

The Grand Island Sand and Gravel Co. resumed normal operation last week after a shut down of almost two weeks because of recent high water in the Willamette river.

KIDNEYS MUST REMOVE EXCESS ACIDS

Help 15 Miles of Kidney Tubes Flush Out Poisonous Waste

If you have an excess of acids in your blood, your 15 miles of kidney tubes may be overworked. These tiny filters and tubes are working day and night to help Nature rid your system of excess acids and poisonous waste.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause rheumatism, rheumatoid arthritis, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Kidneys may need help the same as bowels, so ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.
