CORVALLIS, Ore., Jan. 30—(AP) Oregon State's basketball team came back into the lead of the northern division of the Coast conference basketball race here tonight by upsetting the Washington Huskies, 71-63.

AMORY T. "Slate" Gill, astute Oregon State coach, came up with a modified 40-man defense

The slender, grey-haired Pennock, who began his major league pitching career 36 years ago at the age of 18, and who racked up 245 victories over a 22-year span, including five without a defeat in world series competition, would have celebrated his 54th birthday February 10.

The Washington subs caught fire, however, and with 1 1/2 minutes to go cut the Oregon State lead to 66-63.

Although he never carried more than 165 pounds on his frail-looking six-foot frame, Pennock was one of the most durable pitchers of his time.

By that time first-stringers were back in and the Beavers stilled out aided by two free throws and a field goal by Norm Carey, who was high scorer for Oregon State with 22 points.

Nichols, who has been averaging better than 17 points a game, got few shots. He tapped in four rebounds in the first period, and went without a field goal in the second half.
