There's New Glamour in the Way it Goes

TAKE the glamour of its tapered gracefulness for granted, if you will. One glance tells you it's tops.

Take an inside peek at its newly fashioned interiors-and see if you're not dazzled by the luxury that greets your eyes.

But wait-just wait-till you learn what makes this banner beauty run off with the year's high honors on the highway. Dollars to drachmasyou'll fairly itch to get in and GO!

For now your right foot commands a Fireball power plant that's as eager as a panther on the prowlyet is so quieted in purr and pulse you barely sense its telltale throb.

Now you slip through traffic or light out cross-country as relaxed as a baby with his bottle-in a body that's bountifully big, cozily cushioned,

and insulated against the usual noises of traveling.

Now you experience the first scientific system ever devised to shield a car's ride against road noise, shake and the vibration build-up that previously took advantage of an automobile's tendency to play sound box.

Now you ride the washboard roads and cobbles as though they were carpet-thanks to coil springs all around - plus extra - low - pressure tires, carried on Buick's own wider. more stable Safety-Ride rims.

And last but best, if a Roadmaster's your choice, you can enjoy the really effortless driving-in a new kind of drive that not only frees you of gearshifting, but that doesn't even shift itself!

It's Dynaflow Drive"-a drive that's devoid of all halt. lag and hesitation through all speed ranges-because here, for the first time, the power plant itself does what gears used to do.

fact is, you'll find the new Buick sparkling with more than a score of new advances - in ten brilliant models that span three series and give you your choice of three wheelbases and four power ratings.

So why dally? Here, certainly, is the dilly of the year for smartness and roominess-for the newest in driving ease and riding relaxation-and for all those basic bounties that are forever Buick's.

Place your order with your dealer now - whether or not you have a car to trade-and hasten the day when you'll reach those motoring heights you hanker for.

*Optional at extra cost on Roadmaster models only,
