NEW YORK, March 18 (AP)—Stocks extended their recovery in today's market but on a more or less restricted basis.

Scattered coppers and other industrials that might benefit from rearmament and government stock-piling were in front from the start.

While most aircrafts lost much of the recent buoyancy, air transports developed a following. Scattered steels, oils and rails did rather well.

Top gains running to 2 or more points were reduced after midday in the majority of cases. Transfers of 890,000 shares, compared with 930,000 the day before.

Much of the bidding was attributed to the belief that Washington, in the wake of the president's warning message to congress, would step up its military preparations and boost orders for various corporations.

Corn Descends Price Ladder; Wheat Lower

CHICAGO, March 18 (AP)—Pressure against corn sent yellow grain prices down for losses extending to 3 1/2 cents on the board of trade today. Wheat was mostly lower but showed greater resistance to selling than did corn. Oats ended mixed.

Weakness in corn largely reflected a less aggressive demand for the cash grain. Two leading processors stayed out of the cash market. The corn market has become quite "thin."

Active wheat futures closed 2 cents lower to 1 1/2 higher, May \$2.36 1/2-2.24. The infrequently traded March contract was off 4 1/2 cents. Corn ended 1/2-3/4 lower, May \$2.14 1/2-2. Oats were 1/4 lower to 1/2 higher, May \$1.12 1/2-1 1/4, and soybeans were 1/4 to 1/2 cents lower, May \$3.44.

The commodity credit corporation announced it purchased 1,059,000 bushels of wheat yesterday.

The grain trade felt the CCC was having no difficulty in obtaining the wheat. Only a little more than 8,000,000 bushels are needed to fulfill April export allocations, although there is nothing to stop the agency from buying more than that if it can get the grain.

Arab Says Soviet Seeks Communist State in Palestine

LAKE SUCCESS, March 18 (AP)—The chief Arab spokesman at United Nations headquarters charged today that Russia wants to create a communist nation in Palestine.

This charge was made in a statement to the press by Faris El Khoury, Syria's delegate on the security council. He said Russia covets and has designs on middle east oil resources now under American control.

It was the first time the Arabs have raised so openly a spectre of communism in the Holy Land and the middle east.

U.N. delegates speculated that the Arabs now would shift the emphasis of their attack on the Palestine partition plan to a fight against communism.

Slavik Asserts Benes Prisoner Of Communists

NEW YORK, March 18 (AP)—Jura Slavik, who resigned as

Czech ambassador to the United States in protest of the red coup in his country, said today he believed President Edward Benes of Czechoslovakia was a prisoner of the communists.

He said on a radio (WOR) interview: "Benes is certainly a prisoner. I am sure that President Benes cannot act as he would like to act now. I have important information that he was not permitted to speak. It was announced that he would speak over the Prague radio. (Then) He was not allowed. He wrote his speech. He submitted it to the minister of the interior. This shows how free he is to act."
