**Pay-as-you-are-paid... for DENTAL SERVICE**

**DR. PAINLESS PARKER SAYS:**  
"You can get Dental Plates, Bridgework, Fillings, Crowns, Inlays, Extractions on credit payments to suit your convenience; weekly or monthly budget terms."

**Poor Teeth Impair Appearance**  
Disfigured or missing teeth can keep you from looking your best; often give people a sour, unhappy look because they are ashamed to smile. Get needed dental work now; pay as you are paid.

**More Natural-Looking Plates**  
Made with the materials all dentists recommend for faithful reproductions, modern plates are lighter, more lifelike. Translucent teeth of the same color hue, same density of shading and size of your own teeth make plates look more natural.

**No Appointment Necessary**  
It is not necessary to make an appointment for a complete examination of your teeth. If this examination indicates that dental work is needed, it can be started at once, without delay. And you can arrange payment on a weekly or monthly basis.
