Lazor Remains Question

The impact of the above most certainly staggered local citizenry who only last fall had welcomed "Bev" home from the world series and showered him with good wishes for a long and fine career in the majors. But we can all hope that the news ism't so dismal, so bleakly final, as initially indicated. There's medice in the stronghold of St. Louis Cardinals who's performed miracles before, and maybe he's the answer for Bevens. Meaning Dr. Robert Hy-

Fine Tribute

It's been said before that the Salem Breakfast club, now approaching its first anniversary, is one of the best things to hit

this town in a long while. That fact was once again illustrated at the banquet for local hoop teams the other night. The assembled kids, whether they had enjoyed a good season or a mediocre one, were made to feel that they were appreciated. . . And the banquet-sitters didn't have to listen to Slats Gill two minutes before they were made aware that he lives and breathes basketball. The Oregon State mentor knows the sport, brother, and he also knows how to put the points of the game over the steady chucking of Vince Dito others. . . , If Slats decides Biasi.
